

## Poor Stress Food Programs

WASHINGTON (AP) — A demonstration at the Agriculture Department headed the tentative agenda for the Poor People's Campaign today, but organizers wouldn't guarantee they could pull it off.

"We just may sit in on Secretary of Agriculture Orville L. Freeman until we persuade him to go with us to Congress," the Rev. James Bevel told a Sunday morning prayer session at Resurrection City, U.S.A.

"I want you to give away anything that might be stolen," he told the estimated 2,300 residents later, "since no one's going to be here because we expect to have the whole city mobilized."

Bevel said the demonstration in support of more federal food programs would probably be rescheduled for Tuesday if it can't be mobilized today.

His announcement was in keeping with Sunday's announcement by the Rev. Ralph David Abernathy, campaign leader, that this week—the third of Resurrection City's brief existence—would see a move "full

swinging into nonviolent activities."

Sunday was primarily a day for housekeeping and greeting visitors at the campground of little plywood huts that now nearly fills its assigned 15 acres in West Potomac Park; near the Lincoln Memorial.

Two days of broiling weekend sun baked the muddy swamp that engulfed the city last week back to a hard clay surface, and the "city manager," the Rev. Jesse Jackson, declared an open house from 1 p.m. to 6 p.m.

Dozens of visitors strolled slowly down the western frontier-style board sidewalk along Abernathy Boulevard, taking pictures of residents lounging in front of their sweltering homes.

A dozen volunteer carpenters, some Negroes in work clothes and some whites wearing hippie-beards and beards, labored over the half-finished day-care-center building that sprawls next to the trees in the camp's southeastern corner.

**Picket White House**  
Nearby in a shady grove, a group of two-dozen Negroes, in-

dians and whites tried to put together an imaginative series of plastic-covered triangular buildings to house the piles of bedrolls and baggage they had scattered around the site.

A dozen demonstrators chained themselves together to picket the White House briefly Sunday. They left peacefully when police asked them to. House Republican Leader Gerald R. Ford of Michigan said the possibility of violence mounts each day the demonstrators remain.

"Once they've carried out their objective I trust they will not linger too long because there is danger of violence that would be harmful over-all," Ford said in a broadcast taped for New York stations.

In New York, plans were announced to send up to 5,000 Puerto Ricans to the shantytown depending on how much money could be raised. And several thousand persons marched up Fifth Avenue in a parade honoring the slain originator of the Poor People's Campaign, Dr. Martin Luther King Jr.

## French Workers Reject Terms For Strike Peace

### Prices On Food Soar In France

PARIS (AP) — "Sorry, madame, I can't sell you a kilo of potatoes," the grocer told a desperate housewife. "The 50 kilos you see are reserved for one of my best customers."

It was one of the aggravations of the general strike that hit France early last week, but there has been no open panic because the fresh food channel—farmers, private transporters

and grocers—kept working. French cities were supplied with milk, vegetables, fruit and meat as drivers concentrated on perishable products.

Still, some housewives started hoarding food and some items were hard to find in shops. On Saturday, for example, it was possible to buy beef, tomatoes or cherries in any shop but one could hardly get salt, sugar, oil, canned food or even wine.

Prices doubled or tripled in a week. Trying to force prices down, some angry housewives threatened to bring charges of black market profiteering against grocers as in World War II.

But there also were cases of price reductions for some perishable vegetables, such as tomatoes, when grocers saw they might have to throw them away.

Where the rich hoarded, the poor had trouble obtaining food. In a plush western Paris suburb, one grocery customer blindly ordered food "for 100 francs"—\$20—while others waiting in line anxiously looked at their wallets.

Gasoline, cigarettes, soap and other such products often were unavailable. Industrial goods were severely limited because of the strikes in the factories and wholesale shops. Public transport was dead.

One Parisian doctor pointed to his empty waiting room and said people were not coming for medical care because they could not pay him. Some doctors in industrial regions said they would treat patients who could prove they were strikers. The strike committees could deliver such proof.

Because of the lack of public transport, persons not on strike drove their own cars to work. But as the days passed, most gasoline stations closed because they were not supplied by the tank truck drivers.

By Saturday, it was impossible to buy gasoline in Paris except in filling stations reserved for doctors — marked with red crosses — and others reserved for drivers of food trucks.

An important reason for the absence of panic was that the electric plant workers, while on strike, did not cut the power supply as they have in the past. They apparently kept a power cut as a threat against the government in case negotiations come to a deadlock.

FRENCH PREMIER Georges Pompidou talks to newsmen as he leaves the Social Affairs Ministry in the French capital at 4 a.m. (Paris time). He met the press at the end of the first session of his conferences with union chiefs and industrial leaders in an effort to find a solution to the strike wave that has crippled France. (AP Wirephoto)

### Partial Victory Of Labor Fails To Win Unions

PARIS (AP) — French labor, management and the government hammered out an agreement today to end the nation's paralyzing general strike, but workers in two key automobile plants in the Paris area rejected the settlement.

Union leaders toured the strikebound factories explaining the agreement. The workers shouted their disapproval at the nationalized Renault automobile works and the privately owned Citroen plant.

None of the union leaders would predict whether the 10 million striking workers would accept the pact and end the giant defiance of President Charles de Gaulle's government. But Georges Seguy, secretary general of the Communist-led General Confederation of Workers, said the decisions should be made "in a short time."

#### Partial Success

Seguy said the unions had achieved only partial success in the two nights of negotiating sessions, which lasted a total of 27 hours.

"We have arrived at an ensemble of conclusions which one can say constitutes an agreement," Premier Georges Pompidou told newsmen as the decisive 14-hour session ended at 7:45 a.m.

If the settlement is ratified by the workers, its cost may force De Gaulle to curtail or even abandon such expensive items as his nuclear strike force and large-scale aid to developing countries. He may also have to dig deep into France's hoard of gold which he has been using to put pressure on the dollar and the British pound.

Although the labor front was looking up, Pompidou was plagued with the possibility of more trouble on the second front of France's crisis, the student rebellion.

#### Students March Today

The National Students' Union called a 24-hour demonstration to begin today against alleged police provocations which it claimed were responsible for the bloody rioting in Paris Thursday and Friday nights.

The Interior Ministry gave the students permission for a street march followed by a meeting at a stadium. Leaders of the students' union pledged that the demonstration would be nonviolent, but radical groups who have been talking revolution refused to join in the pledge.

The premier's tactic has been to give priority to the workers' demands since the general strike is having the more serious effect on the nation's economy and its life.

Presumably the government now will turn to the students' demands for sweeping reform of the antiquated university system. Pompidou has already promised a thorough shakeup and agreed to most of the students' original demands, but they have continued their strike and occupation of their universities, holding marathon discussion sessions at which they argue about how to go about revolutionizing French society.

#### Teachers Give Support

The Syndicate of University Teachers announced its support for the new student demonstration. But the Communist party again turned their back on the young rebels, telling its followers to stay away because "new provocations" might hamper achievement of the workers' aims.

The agreement worked out with the labor leaders included:

1. An increase in the minimum hourly wages from 2.2 francs to 3 francs an hour, or from 44 to 60 cents. This will affect 450,000 workers.

2. An across the board wage hike for industrial workers of 7 per cent on June 1 and another 3 per cent on Oct. 1. The unions reportedly asked for 21 per cent.
3. Reduction of the work week from 46-47 hours to 40 without loss in pay. A compromise was reached on the timetable.

4. Management agreed to examine the union demand for lowering of the retirement age from 65 to 60 for men and 55 for women.
5. The unions also apparently

## Nixon Expects Convention Win In Early Ballot

PORTLAND, Ore. (AP) — Former Vice President Richard M. Nixon, summing up five months of primary campaigning, says only an unusual combination of circumstances can deny him the Republican presidential nomination.

Barring some dramatic new development that cannot now be foreseen, Nixon said in an interview he is confident he can stand off the thrusts of New York Gov. Nelson A. Rockefeller and California Gov. Ronald Reagan and walk off with the prize on an early ballot at the Miami Beach, Fla., convention.

One development which could cloud this optimistic picture, he concedes, would be an unexpected showing by Rockefeller and Reagan in Tuesday's Oregon primary balloting.

Nixon has lowered his sights in this last of the major primaries for the Republican contenders, maintaining that 55 per cent of the GOP vote will be a satisfactory victory. He has been averaging around 70 per cent in other primaries, where the combined Rockefeller-Reagan threat has not been serious.

If he wins in Oregon and adds South Dakota's 14 convention votes in a June 4 primary without further campaigning there, Nixon thinks he will have established a commanding lead in the nomination contest.

Nixon thinks that it might be possible for Rockefeller and Reagan to put together a combination with the favorite sons that could stall his convention bandwagon.

Nixon said if there ever was a chance that the Republican governors would swing their combined weight behind Rockefeller it has evaporated. The GOP governors will meet in Tulsa, Okla., June 14-15 to draft proposed convention platform planks and discuss candidates.

"I will have more governors supporting me than backing Rockefeller," he predicted.

Nixon said he expects a majority of the delegations headed by favorite sons to come over to his camp after a first ballot test of the candidates' standings.

### Catsup On Cheese

PORTLAND, Ore. (AP) — Richard M. Nixon, answering questions on a campaign television broadcast, was asked how he keeps his weight down.

"I eat cottage cheese until it runs out of my ears," he said. "I put catsup on it. If you put catsup on it, it doesn't taste like cottage cheese at all."

### Weather

ESCANABA AND VICINITY—Cloudy with rain today, high near 60. Rain or drizzle tonight, low 48. Tuesday, mostly cloudy and cool. High yesterday, 57 and low overnight, 45. Wednesday outlook: partly cloudy and a little warmer. Winds, southeasterly, 15 to 25 mph, becoming south to southwest tonight at 15 mph. Precipitation probabilities: today, 80%; tonight, 40%; Tuesday, 20%.

Upper Peninsula—Cloudy this afternoon with occasional rain. Little change in temperatures. Highs 48 to 58. Some rain or drizzle likely tonight and Tuesday. Lows tonight in the 40s. Highs Tuesday 52 to 60. Sun sets today at 8:26 p. m., and rises Tuesday at 5:05 a. m.

A VIETNAMESE, bearing a large white flag with a red cross, bears his son out of an area in northeast corner of Saigon Sunday. Area has been scene of fighting for previous three days between government forces and remnants of two Viet Cong regiments. Most residents have fled to avoid being caught in the crossfire. (AP Wirephoto by radio from Saigon)

## Reds Beefing Up Defense; Suffer Weekend Losses

SAIGON (AP) — The Communist command intensified the Vietnam war over the weekend and for the first time introduced Russian long-range antiaircraft guns to its beefed up air defenses just above the demilitarized zone.

Allied forces reported killing more than 1,000 enemy troops in a weekend of savage fighting from the outskirts of Saigon to the demilitarized zone.

In keeping with Hanoi's proclaimed "fight and talk" policy, the Communist command's push came as North Vietnamese and American negotiators prepared for their fifth meeting today in the Paris cease-fire talks.

**54 Yanks Die**  
American casualties were reported as 54 killed and 192 wounded in the series of battles.

The alleged link between the tranquilizing drug taken by pregnant women and thousands of congenitally malformed children is the issue in the trial being held in this small coal-mining town.

Seven officials and scientists of Chemie Gruenthal, a West German pharmaceutical firm, appeared in court. They are charged in a 972-page indictment with negligent manslaughter

and inflicting physical injury through development, production and sale of thalidomide from 1957 to 1961.

Two others were also to have been tried but were granted postponements because they are ill. They are Hermann Wirtz, 71, president and chief stockholder of the company, who underwent surgery May 8, and Dr. Heinz W. Kelling, 48, head of Gruenthal's scientific contact department, who is suffering from a perforated ulcer.

**Children Malformed**  
The prosecution spent five years preparing its case. It contends that there is a link be-

## Marquette Man Cycling Victim

By The Associated Press

At least 28 persons were killed in Michigan traffic accidents over the weekend, including a brother and sister among fatalities resulting from a two-car collision near Flint Sunday.

The Associated Press count of highway deaths began at 6 p.m. Friday and ended midnight Sunday.

Jack David Starkel, 19, and his sister, 18-year-old Jennie Margaret Starkel, both of Frankenmuth, were killed in the two-car collision near Flint which also claimed the lives of Billy Joe Harris, 33, of Flint and Barbara Jean Keith, 26, of Birch Run.

Authorities said the car driven by Miss Keith skidded on a highway north of Pine Run and was struck broadside by the car driven by Harris. The Starkels were passengers in the Keith car.

Other victims included: James C. Bureau, 34, of Marquette, when a motorcycle left the road in Marquette County's Marquette Township Sunday.

## W. P. Sparpana, Dickinson Sheriff, Is Heart Victim

IRON MOUNTAIN (AP) — Funeral services will be held here Wednesday for Dickinson County Sheriff Willard P. Sparpana, 60, who died Saturday night of an apparent heart attack.

Sparpana was stricken at his East Kingsford home exactly six months after his predecessor Sheriff Harry Julian, died.

Sparpana had been with the sheriff's department 33 years and had served as undersheriff to Julian seven years before being appointed as his successor last Dec. 12. A native of Iron Mountain, Sparpana is survived by his widow, Alice, and seven children.

## Daggett Girl Dies In Car Collision Near Green Bay

GREEN BAY, Wis. (AP) — Four persons died Sunday in a two-car collision on rain-slicked U.S. 41 about six miles north of Green Bay.

Dead in one car were Gloria K. Carlson, 18, rural Daggett, Mich., and Nancy Pokovich, 23, Milwaukee; and in the other car, Mrs. David Bedora, 21, and her son, Louis, 5 months.

The three, all with criminal records, armed and considered extremely dangerous, stabbed two guards, Sgt. Dave Baro and Robin Moore, when they broke from the hospital 20 miles north of here.

Sheriff's officers, police and highway patrolmen threw up road blocks throughout the county.

Officers captured Robert Higueru near Pismo Beach, 12 miles south of here.

Mrs. Warren was released unharmed before the capture, the sheriff's officer said.

**Drug Withdrawn**  
An estimated 6,500 children in 20 countries from Austria to the Philippines were among the alleged victims of the drug. Thalidomide has also been linked to a variety of adult disorders. It is known to have been manufactured under license in Britain, Sweden, Israel, Brazil

## Hostages Free; Hunt Escapees

SAN LUIS OBISPO, Calif. (AP) — The search for two escaped mental patients swung to San Francisco today after the release there unharmed of the last of four hostages and the recapture of one patient.

Frank Svehla, 53, the last hostage, hailed a passing patrol car in San Francisco about 4 a.m.

He and three others were seized when the three patients fled Atascadero State Hospital Sunday. Svehla is a psychiatric technician.

The three, all with criminal records, armed and considered extremely dangerous, stabbed two guards, Sgt. Dave Baro and Robin Moore, when they broke from the hospital 20 miles north of here.

Sheriff's officers, police and highway patrolmen threw up road blocks throughout the county.

Officers captured Robert Higueru near Pismo Beach, 12 miles south of here.

Mrs. Warren was released unharmed before the capture, the sheriff's officer said.

**Drowns In Pond**  
LAWRENCE (AP)—A 12-year-old Lawrence boy drowned Saturday in a farm pond about 200 yards from his Van Buren County farm home. Sheriff's deputies said Michael Henderson was swimming across the pond with a friend when he disappeared. His body was recovered by State Police divers from Paw Paw post.

## Paul A. Proehl Of Rapid River Dies In Vietnam

A 23-year-old Rapid River man, serving his second tour of duty in Vietnam, was killed in combat May 22.

Mr. and Mrs. Berthold J. Proehl, Rte. 1, Rapid River, were notified by Army representatives from Ishpeming Sunday that their son, Sgt. Paul A. Proehl, was dead from combat wounds.

Confirmation of his death was received this morning by telegram from the Dept. of Defense.

The family had hoped Sunday that Paul was still alive. A telegram received about a week ago had indicated he had suffered a concussion while a passenger in a military vehicle.

His father said today, however, that Paul apparently had returned to combat when wounded fatally.

Sgt. Proehl, a 1965 graduate of Rapid River high school, enlisted in the Army in Feb., 1966. He completed basic training at Fort Knox, Ky., and advanced training at Fort Polk, La., before being assigned to Vietnam from July 28, 1966, to June 12, 1967.

He returned to the United States and was assigned to Fort Leonard Wood, Mo., before being sent to Vietnam for a second tour of duty last Jan. 6. He was serving with Company A, 1st Battalion, 5th Mechanized unit of the 25th Infantry Division.

Surviving besides his parents, are three sisters, Donna, Susan and Lois, and three brothers, Arne, John, and Douglas, all at home; his paternal grandmother, Mrs. Beda Short of Rapid River, and his maternal grandfather, Patrick Gendron of Cornell.

Funeral arrangements are incomplete.

Sgt. Paul A. Proehl

Funeral arrangements are incomplete.

## Bill Seeks Rural Mail Extension

WASHINGTON (AP)—Mail to rural families still is inadequate, Rep. Odin Langen, R-Minn., said today before introducing a bill to extend mail service to all rural families who live on or near a road in good condition.

Last August the Post Office Department liberalized its delivery route rules to reduce the number of families required per mile of service from two to one and half.

"This was step in the right direction but my heavy mail from rural areas indicates that the entire regulation is unfair and discriminatory," Langen said.

## Today's Chuckle

Definition of a tough town: It's one where nobody asks you what time it is. They just take your watch.

## Income Guarantee Is Urged By Economists

CAMBRIDGE, Mass. (AP) — A national system of income guarantees and supplements was urged today by more than 1,000 economists from 125 institutions of higher learning throughout the United States.

They emphasized that to be workable such a plan would have to be based solely on need and would also have to include features providing incentive for working and saving.

"... Our present programs of public assistance and social insurance exclude millions who are in need and meet inadequately the needs of millions

more," the economists said in a statement.

"All too often these programs unnecessarily penalize work and thrift and discourage the building of stable families," they added.

The statement was originally sponsored by five well-known American economists: Paul A. Samuelson of Massachusetts Institute of Technology; John K. Galbraith of Harvard; James Tobin of Yale; and Harold Watts and Robert Lampman, both of the University of Wisconsin.

Samuelson released the statement at a press conference at MIT.

# Hint Peace Talk May Get Moving

PARIS (AP) — The Americans and the North Vietnamese returned to the conference table for the fifth time today as Cyrus R. Vance prepared to leave after the session to make a first-hand report to President Johnson.

Vance's report presumably will provide a basis for a top level review of U.S. strategy in the search for peace, but American officials here expect the main line of developments to continue unchanged.

Vance is deputy to Ambassador W. Averell Harriman, chief of the U.S. negotiating team. Harriman and North Vietnamese Ambassador Xuan Thuy started their third week of meetings today in the International Conference Center.

The major issues in the talks are deadlocked, but Western diplomats believe North Vietnam is edging toward a concession to the U.S. demand that it admit the presence of its troops in South Vietnam.

This view is based on a statement in Hanoi Friday by Premier Pham Van Dong. He said the Vietnamese people "have the right" to go fight "wherever the enemy exists."

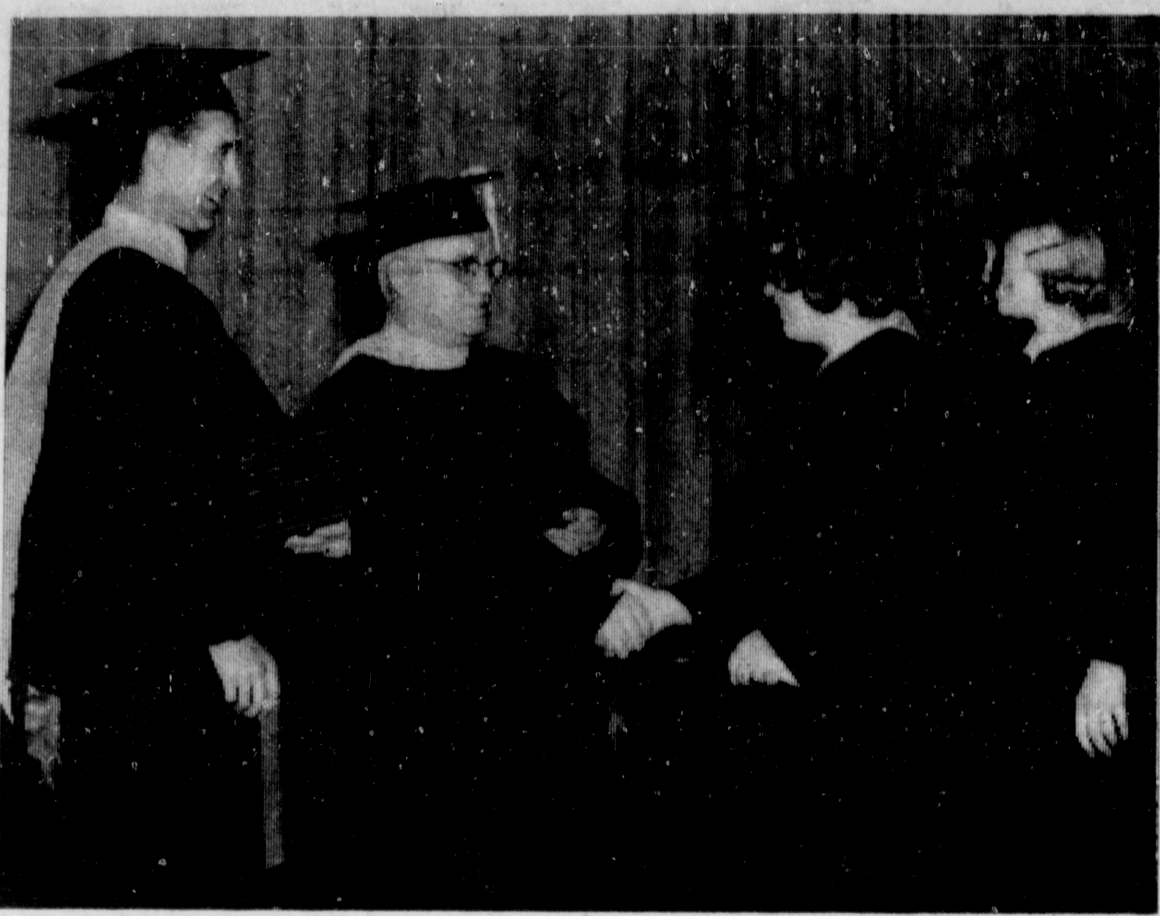

The U.S. Command in Saigon estimates that North Vietnam has 85,000 of its troops in the South. Harriman has argued that such problems of peace-making as these troops will be impossible to solve unless they are dealt with realistically.

Both Harriman and Thuy have recognized the possibility that the talks may fail, but both appear satisfied to move slowly toward a showdown on the main issue now before them—the end of all U.S. attacks on North Vietnam.

American officials say the United States cannot possibly stop the remaining bombing and shelling of targets in the North unless the Hanoi government cuts the heavy infiltration of recent months or gives some other evidence of de-escalation.

U.S. officials expect much more hard fighting in the South. Their reasoning is that the high command in Hanoi wants to destroy a major U.S. unit, to capture and hold part of Saigon, or to seize some smaller city as a means of gaining strength at the conference table in Paris.

Authorities who see this military action as fundamental to North Vietnamese strategy say the talks are likely to go very slowly for that reason. Meanwhile, both sides are conducting a propaganda fight.

BAY DE NOC COMMUNITY held its fourth commencement at William W. Oliver Auditorium Sunday afternoon with Congressman Philip E. Ruppe (R-Houghton) as the speaker. Here, from left, Dr. Richard Rinehart, president, and Joseph L. Heirman, chairman of the board of trustees, congratulate two of the graduates and award them associate degrees. (Lee's Studio Photo)

## To Unveil Plaque: Memorial Rites Scheduled Here

Memorial rites honoring those who gave their lives for their country will be held for the Escanaba area on Thursday, Memorial Day, in a program sponsored by veterans organizations of the community.

This Thursday will mark the 100th anniversary of Memorial Day—and the observance will have special significance not only because of the anniversary but because of the rising toll of American war dead in Vietnam.

One of the features of the program here will be the unveiling of a bronze "Old Glory" plaque and memorial monument at Gardens of Rest Cemetery—a tribute of respect and honor to the dead, a constant source of inspiration to the living.

**Flag Ceremony**  
Claude Tobin will be master of ceremonies at the rites at Gardens of Rest Cemetery, tentatively scheduled to begin at 11:30 a. m. following a 10 a. m. parade.

The flag raising will be directed by Marvin Ducheny; and the commanders of each of the veterans organizations will be presented: Ernest Briere, Veterans of Foreign Wars; Robert Saykly, Amvets; Roman Gill, American Legion; Clarence Sturdy, Disabled American Veterans; and Nelson Sorault, World War I veterans.

Col. James Wren of Bay de Noc Community College, and Escanaba Mayor Cecil B. Chase will speak.

Memorial rituals will be conducted by President Lorraine Briere of the VFW Auxiliary; Olga Matthews, representing the Gold Star Mothers; and Chaplain Al Provencher, Legion Post 82.

The unveiling of the memorial will be directed by Veterans Council Commander Ray Robitaille.

**Avenue Of Flags**  
The memorial monument, the first of its kind in Michigan, was purchased with funds contributed by the Veterans of Foreign Wars, Amvets, Disabled American Veterans, and World War I Veterans.

Gardens of Rest Cemetery will be decorated with an avenue of flags on Memorial Day, reported Carl Kuehne, manager and vice president of Gardens of Rest. So far there have been 115 internment flags received from the families to whom they were presented when services were originally held, and these plus a 45-star flag of the Spanish American War period will be displayed.

Service colors of the Army, Navy and Air Force will be flown and a Marine Corps flag is hoped to be received in time for the services, Kuehne reported.

There was the reminder to the public that flag etiquette on Memorial Day calls for flying the flag at half staff in the morning and raising it to full staff at noon.

A complete schedule of events for the day is being prepared—including visits to all cemeteries in the area—and will be announced soon.

## Lee Hendricks Taken By Death

J. Lee Hendricks, 64, of 907 S. 13th St., died at 9:15 p. m. Saturday at St. Francis Hospital where he had been a patient for three hours.

He was born in Winterset, Iowa, June 11, 1904 and he had been a resident of Escanaba for 29 years. He was married on May 14, 1926.

Mr. Hendricks was a member of the First Methodist Church, Elks Club, 354, the Escanaba Country Club and had served as its president, and a member and past president of the Escanaba Chamber of Commerce. He was the proprietor of Lee's Style Shop of Escanaba.

He is survived by his widow, Bernice; one daughter, Mrs. Arne R. (Donna) Anderson of Escanaba, two grandchildren, Robert Lee and Jon Jay; two sisters, Mrs. Ed Tate of Washougal, Wash., and Mrs. Alta Stone of Promise City, Iowa.

Friends may call at the Anderson Funeral Home from 4 to 9 p. m. today and complete funeral services will be conducted at the funeral home chapel at 11 a. m. Tuesday with the Rev. Konstantin Wipp officiating. Burial will be in Gardens of Rest Cemetery.

## Briefly Told

**Dinner reservations** must be in by tonight for Women's League play Wednesday at Highland by calling 474-7457.

**Members of the Eagles Auxiliary** are to meet at the Alto Funeral Home at 7:30 tonight to conduct memorial services for Mrs. Laura Roberts.

**Cub Scout Pack 412** of John Lemmer School will have a picnic at 6 p. m. Tuesday at Pioneer Trail Park.

**The home of Mr. and Mrs. Gordon Lemerand** of 311 N. 13th St. was entered and ransacked this morning by two boys who were seen running from the house, it is reported by city police. About \$11 and a couple of cigarette lighters are missing.

**DAV Field Officer Robert E. Constantineau** will be at the City Council rooms in the City Hall in Escanaba to interview veterans at 3 p. m. June 17.

**Lost In Sewer**  
ATLANTA, Ga. (AP) — Rescuers searched rain-swollen sewers today for a 10-year-old boy sucked into a drain hidden by muddy water.

Police said Willie Frank Brooks, 10, was playing in water three or four feet deep when he disappeared Sunday.

# The New Philosophy: Graduates Advised To Become Involved

Get involved, have a part in the solution of the world's problems, find a rewarding satisfaction in an active life, Congressman Philip E. Ruppe (R-Houghton) told 68 graduates of Bay de Noc Community College in Escanaba on Sunday.

The commencement program for the largest graduating class in the College's history was held in the Wm. Oliver Memorial Auditorium in the Junior High School. Ruppe's topic was "Challenges, 1968."

The sixty-eight associate degrees to area students were among 114 diplomas conferred in three separate commencements — September and February for practical nurse candidates, and May for associate degree candidates. The number of graduates from approved programs in the 1967-68 school year exceeds the total number of students enrolled in the Community College's first year of operation.

**Present Diplomats**  
Candidates were presented by Dr. William G. Butt, academic dean, Dr. Richard L. Rinehart, president, conferred the degree upon the candidates, and Joseph Heirman, chairman of the Board, presented a diploma to each candidate.

**Musical selections** were presented by the College Chorus under the direction of Mrs. Marie K. Peterson and musical accompaniment was provided by Miss Joan Rinehart. The Rev. Loren Anderson, Evangelical Covenant Church of Gladstone, offered the invocation and benediction. Company "C" 107th Engineer Battalion, Gladstone, provided a color guard for the procession and recessional.

Graduates were from Bark River, Carney, Cornell, Ensign, Escanaba, Fayette, Garden, Gladstone, Hardwood, Hermansville, Houghton, Iron Mountain, Manistique, Menominee, Perronville, Powers, Rapid River, Rexton, Rock, Stephenson and Trenary.

**Challenging Times**  
"This is your world," Ruppe told the graduates.

"Some of you will get married, some of you will get jobs, some of you will go on for more education. You have a choice. If you wish you can 'tune out.' You can live your own life and forget the world around you.

"Or—you can get involved. Only men can rechannel the direction of the world. The challenge of the next few decades will be whether man, in his social and human relationships, can match the pace of the rapid technological change.

"If we succeed, the world can and will resolve all of these problems we have talked about, because the problems themselves are manmade," Ruppe continued.

"The reason you have to get involved is because the alternative at best is continued groping, frustration, destruction, and limited wars. The alternative—at worst—is the holocaust of nuclear exchange.

"Whether you are guided by an abiding belief in God or whether you are guided by the real necessity of man's humanity to man — get involved! You can't afford not to," Ruppe advised.

These are times of "revolutionary change" and there is a developing philosophy in this country to deal with that change, he continued. Ruppe called it "a hopeful new political and social philosophy in a troubled time."

The people in these times want politicians and citizens to attack problems openly and honestly.

**New Politics**  
"The new philosophy — or the new politics if you will — rejects both the old conservatism of a day gone by and the old liberalism of the New Deal.

"It rejects conservative contention that we can ignore the terrible problems brought on by rapid change and the shrinkage of the world.

"It rejects, as unworkable, the old liberal contention that you can solve every problem by throwing government money at it, and that business is the enemy of the people.

"The new philosophy says that we can harness the vast resources of the private sector in public problem solving," Ruppe declared. "After all, the private sector has the expertise to train and it has the jobs to offer."

**Hope For Peace**  
"The new philosophy says that we must use all available avenues, new and old, to reform government and business; science and technology must form a great alliance and welcome the responsibility of creating a better America. The new philosophy says that we must reorient our national priorities and solve urgent human needs first."

Of Vietnam he said: "Perhaps we have learned that we cannot police the world. We can not sustain one Vietnam — I doubt that we could simultaneously sustain three or four. So all we can do is hope and pray that the current peace negotiations in Paris are fruitful.

"If they are not, then I am hopeful we will undertake a policy of forcing the South Vietnamese to shoulder an ever-increasing share of the burden. It is their war for their nation. We can help, but we cannot win it for them."

Legend says that King Arthur's Round Table was so fashioned that, having no head, it allowed him to sit among his knights as a man among equals.

## Beginning Band Meeting Called Tuesday Night

The beginning band program of the Escanaba Area Public Schools will be organized at a meeting of interested parents and 5th grade students at the William Oliver Auditorium at the Junior High Tuesday at 7:30 p. m.

All 5th graders of the system have been contacted and tested by band directors John Chown and David Laasko as to their ability to join the beginning band program.

The meeting will feature the 7th grade concert band in a demonstration of various instruments and the skills needed to develop a band student.

The band program will be discussed by the directors, and a question and answer period will end the meeting. All parents and students who have signed letters of interest in the band program are urged to attend.

Buy and sell the classified way.

## Now Possible To Shrink Painful Hemorrhoids And Promptly Stop The Itching, Relieve Pain In Most Cases.

New York, N.Y. (Special): Science has found a medication with the ability, in most cases — to promptly stop itching, relieve pain and actually shrink hemorrhoids.

Tests by doctors proved that in case after case, while gently relieving pain, actual reduction of the inflamed hemorrhoids took place.

The secret is Preparation H®. There's no other formula like it! Preparation H also soothes irritated tissues and helps prevent further infection. In ointment or suppository form.

## We Discriminate

Hospitality Day in the Michigan Week probably didn't register with a lot of people outside of Michigan. They don't associate this state with hospitality. They are the tourists and campers who are required to pay a \$2 daily fee to gain admission to our state parks.

Michigan has the finest system of state parks in the Midwest. The system embraces 70 parks, 15 of them in the Upper Peninsula, including some of the best state parks to be found anywhere in the nation.

The state charges its residents a \$1 daily fee and a \$3 annual fee to use these parks. It charges non-residents \$2 daily and \$5 annually. The \$2 daily fee for non-resident has evoked a very bitter reaction in tourists.

"Why do you advertise for tourists and then discriminate against them?" they ask. Many have turned away from state park gates, refusing to pay the \$2 that Michigan charges. Several camping magazines have had articles advising tourists to avoid Michigan state park campgrounds. This certainly does not enhance Michigan's image as a tourist state.

In an attempt to correct this situation, Senate Bill 795 was introduced in this session of the Legislature. It would have amended the state park revenue bonds act by removing the differential in park motor vehicle permit fees between residents and non-residents. Under terms of the proposed amendment, both residents and non-residents would pay \$1 daily and \$3 annually, the same schedule that now applies to residents only.

Based on 1967 attendance data, the Michigan Conservation Department estimated that the fees proposed would produce \$1,337,024 in revenue, whereas the differential fees would produce \$1,683,451. This would represent a reduction in revenue of \$346,427 if the non-discriminatory fee schedule were adopted.

However, this estimate does not take into consideration the possibility of a greater number of daily motor vehicle permit sales to non-residents if there was no discrimination against them in charges. But even assuming that the state would lose substantial revenue from permit sales because of reduced rates, should Michigan invite the damage inflicted on its image by its discriminatory park fees schedule?

The Legislature apparently thinks it can. It allowed Senate Bill 795 to die in committee, and state park managers in the Upper Peninsula have been instructed to continue charging the same fees this year that were in effect last year.

It's wrong and should be corrected. Let's not let our money hunger make us unfair.

## Labor Bias

Until that promised day when the lion lies down with the lamb and dogs no longer chase cats, somebody is apparently going to have to referee the continual power struggle between employer and employee, management and labor.

That somebody is the National Labor Relation Board, which was constituted by Congress and whose five members are appointed to five-year terms by the President.

But what happens when the referee gets out of line? The Ervin Senate Subcommittee on Separation of Powers is conducting a series of hearings on the NLRB to determine whether the board exceeds its authority, as many critics charge.

In announcing the hearings Senator Sam J. Ervin, D-N.C., chairman of the subcommittee, described the NLRB as the most severely impugned of all government agencies.

"The Supreme Court and every Circuit Court of Appeals, former board members and employees, dissenters on board decisions, labor and management, members of Congress, the academic community — all have criticized the board, not only for making mistakes, which it is authorized to do, but also for making decisions contrary to the policy and rules announced by Congress — which the board definitely is not authorized to do."

The question is whether the NLRB has become, in fact, a legislative body, interpreting the labor laws to suit its own concepts, instead of being the impartial, quasi-judicial administrative body it is supposed to be.

Among those documenting charges that the NLRB has, over the past half-dozen years at least, developed a definitely pro-union, anti-management bias, is the Labor Law Study Committee, a group representing some 35 national trade associations and hundreds of companies of all sizes.

The committee contends that the NLRB has consistently flouted the law and the intent of Congress in many decisions heavily weighted in favor of the big unions and against employers.

Testifying before the Senate subcommittee recently, New York University law professor Sylvester Petro cited one instance where the NLRB forced a company to recognize a union despite a secret-ballot vote by employees in which the union was defeated.

Other abuses the Labor Law Study Committee charges against the NLRB are that it has restricted the rights of employers to free speech, condoned union-imposed production quotas and coercion of employees during strikes and in representation elections, disregarded fraud and gross misrepresentations on the part of the unions and rewarded strikers for flagrant misconduct by forcing employers to reinstate them with back pay.

The big, big news of the past month has overshadowed these continuing Senate hearings, even though, from the standpoint of future labor legislation, they may be the most important since Congress enacted the Taft-Hartley Law in 1947.

## People, Events Of Yesteryears

**25 Years Ago**  
A vocational training school for the youth of Escanaba has become available for the city with the purchase of the former Delta Brewing Co. building at Ludington at S. 16th St. The training center is expected to be ready for operation at the beginning of the next school year.

**50 Years Ago**  
The shortage of labor was again evident yesterday when several girls were employed as messengers at the Western Union Telegraph Co.

A patriotic pageant, "Behind the Guns", depicting home front activities of war time, at Ludington and Wolcott with traditional class day streets, has been turned over to the tenant, L. R. Edwards.

# Many Aid Plans Offered Students

By RAY CROMLEY

There are several ways the federal government can help you get to and through college or graduate school.

You may seek a loan, grant or scholarship. You may go into a work-study program. You may become a working intern in the summers. You may apply for acceptance to government-financed classes that will prepare you for college. You may secure a government fellowship.

There are two major federal loan programs for college students. One is the Guaranteed Student Loan Program.

Under this plan, a student usually secures his loan from a participating bank, savings and loan association, insurance company or credit union. A few colleges make direct loans to students.

To be eligible, the young man or woman who wants to borrow for his education must be a student in, or accepted for admission to, a participating school. Both full and part-time students are eligible.

Included are hundreds of two-year and four-year colleges and universities and a range of specialized institutions.

Vocational schools are not included in this program. There is, however, a parallel National Vocational Student Loan Insurance Act which insures loans to students at participating vocational, trade, technical and business schools.

The guarantee agency in your state will furnish you with a list of participating lenders. A phone call to any college will give you the address. Most lending institutions also have it available.

Under the Guaranteed Student Loan Program a student may borrow up to \$1,000 a year as an undergraduate. Graduate and professional students may borrow up to \$1,500 a year. Undergraduates may borrow a total of \$5,000, graduates, \$7,500.

Students with an adjusted family income of \$15,000 or less a year pay no interest while in an eligible school. The federal government pays the interest (6 per cent maximum) during this time.

The student normally starts to pay the lender nine to 12 months after he graduates or withdraws from school. During the repayment period, the federal government will pay 3 per cent of the interest on the unpaid balance for students from families in the \$15,000-or-less-a-year group.

He will usually have five but not more than 10 years to repay his obligation. Deferral may be granted for service in the armed forces, Peace Corps or VISTA.

The second major federal loan plan for college-bound youth is the National Defense Student Loan Program.

To borrow under the defense program, you must need the loan in order to be able to pursue your course of study at a college, university or other institution of higher learning. You must be capable of maintaining good standing in your course.

You must be enrolled, or accepted for enrollment as an undergraduate, graduate or professional student in a participating institution. You must carry at least one-half the normal full-time academic workload.

Your college, university or other institution determines whether you meet these qualifications.

Though the federal government contributes up to 90 per cent of the money, each participating school administers its own National Defense Student Loan fund directly. It selects student recipients, arranges and collects the loans.

If you are an undergraduate, you may borrow up to \$1,000 a year, but no more than \$5,000 in all.

If you are a graduate or professional student, you may borrow up to \$2,500 a year, but no more than \$10,000 altogether.

If you borrow both as an undergraduate and as a graduate student, your ceiling is \$10,000 total.

Each student borrowing money under this program must sign a promissory note. Repayment begins nine months after the borrower ceases full- or half-time study and may be stretched over a 10-year period.

Three per cent a year interest charges accrue from the beginning of the repayment period.

No repayment is required and no interest accrues during any time up to three

years in which the borrower is in the U. S. armed services, the Peace Corps or VISTA, the domestic peace corps.

If the borrower, after leaving school, re-enters an institution of higher education in the United States or a comparable institution abroad, doing full- or half-time academic work, no repayment is required and no interest accrues until he leaves school again.

If the borrower is in less than half-time attendance at

## Nurses

Federal loans up to \$1,000 a year are available for students enrolled full-time in accredited schools of nursing in public or nonprofit colleges, universities, junior colleges and hospitals. Loans are repayable to the school over a 10-year period which begins one year after study is completed.

Students must need the money to continue their studies and be qualified by academic standing.

As much as 50 per cent of the loan plus interest may be canceled for five years of full-time service as a professional nurse in a public or nonprofit organization.

There are also Nursing Student Opportunity Grants of up to \$800 a year awarded to undergraduates on the basis of need. After the first year, an additional \$200 a year is available for those who rank in the upper half of their nursing class.

For information write the Division of Nursing, Public Health Service, Arlington, Va. 22203.

An institution of higher education taking courses creditable toward a degree or certificate, he may defer repayment if the institution so rules. But interest accrues during this period.

If you are a borrower under the National Defense Student Loan Program and become a teacher, part or all of your debt and interest may be canceled.

If you are a capable high school graduate and lack the money to continue your education, you may be eligible for the federal government-sponsored College Work-Study Program.

As presently operated students may earn up to \$1,400 a year or more under this plan. They may work an average of 15 hours per week during school periods and up to 40 hours a week in vacations and summers.

If you are a college student or high school graduate ready for college, you may be eligible for federal Educational Opportunity Grants of \$200 to \$800 a year. The program is limited to undergraduates.

If you were in the top half of your college class the preceding year and if you have demonstrated the need for added funds, you may be awarded an additional \$200 a year.

Any student in extreme financial need who has been accepted for admission at a participating college, or who is already enrolled full time and in good standing, is eligible to apply for an Educational Opportunity Grant.

The young man or woman must be financially unable to remain in school without the grant. He must show evidence of academic or creative promise.

The grant may be no more than half the financial aid supplied by the college from its own resources.

For information, see or write the financial aid officer at the college of your choice. Application for a grant should be sent to the college, not the Office of Education.

Pass	Pass	Pass
Opening lead—♦ J		

Oswald: "Here is a hand I watched in a rubber bridge game that illustrates a common error of both rubber bridge and duplicate players."

Jim: "Let's see if I can spot it. Looking at all the cards I can see how South might have made the hand by a swindle play. He would draw trumps, cash the diamonds and proceed to lead ace and a small club. It East failed to drop his jack of clubs under the ace or if West failed to rise with the queen in order to catch East's jack with what is sometimes called the 'crocodile coup,' East would be end played and South would bring home his impossible slam."

Oswald: "No. South played ace-king and a small club so that the swindle failed to materialize. The point I want to stress is South's misbidding."

Jim: "You mean that South hung his partner for giving a positive response to the opening two bid?"

Oswald: "Exactly! And there was no way to convince South that he hadn't bid his hand perfectly. South pointed out that if his partner had responded two no-trump and bid four spades next, South would have passed. But he said that North should have had more than one king for his positive response."

Jim: "Don't suppose you were able to convince South that he had misbid the hand?"

Oswald: "No chance. I was appealed to and tried to explain to South that he had made a proper, but minimum, forcing two bid and had followed with a slam try and that when North had refused to accept the slam try, South should have been through bidding."

Jim: "Don't suppose South will ever be convinced. I can just see him pointing out that he had a two bid, his partner had made a positive response and the slam had to be bid."

## CARD SENSE

Q—You, South, are dealer and hold:

♠ 108765 ♥ AK943 ♦ KQ ♣ 2

A—The correct opening bid is one spade. You can bid your hearts conveniently at a later turn. If you start with one heart it may be inconvenient to show spades later.

**TODAY'S QUESTION**  
You open one spade. Your partner raises to three spades. What do you do now?

Answer Tomorrow

## BARBS

By PHIL PASTORET

Summer camp for the youngsters is enjoyed by thousands of parents annually.

Courtesy on the highway is the best possible topping for high-speed pavement.

The fellow who makes a practice of kissing girls' hands is missing a lot of fun.

## Ann Landers

# Outfoxing A Hog Is Simple; Use Brains

Dear Ann Landers: I'm getting pretty sick of your pat answers. They are beginning to sound as if you crank them out of a machine. I refer specifically to your replies to husbands who complain about ice-berg wives.

My wife has been a stationary snowdrift from the day we married. For 14 years I have put up with her excuses and "duty" expressions of marital "bliss." I first started to kid her about finding satisfaction elsewhere if she didn't warm up. Later I stopped kidding and made the threat in earnest. Her answer was, "I don't care what you do so long as you don't bother ME."

I am 35. My wife is 33. This is to young to dry up and blow away. She is an excellent mother, a fine housekeeper, a gracious hostess and active in the League of Women Voters, but she is more than cold — she's frozen.

Be practical and give me an answer that does more than take up two inches of newspaper space. — STARVATION DIET

Dear S.D.: Many are cold but few are frozen. Your wife is probably the product of a glit-ridden, inhibited mother who believed all men were beasts because that's what HER mother told her.

You say your wife is an ice-berg. This is an apt description in more ways than one. Four-fifths of an iceberg is below the surface. Your job is to get acquainted with the whole woman.

Your iceberg — I mean your wife — should talk to her doctor. She is not living up to her responsibilities to you. Furthermore, she is cheating herself. You should see a doctor, too. A French philosopher once said, "There are no cold women — only clumsy men."

Dear Ann Landers: I have a large home and have taken in six working girls to room and board with me. They are all fine women and I would thoroughly enjoy our evening meal if it weren't for my husband.

Henry is the first one at the table. The minute he sits

down he starts to shove the bread in his mouth. If there's a relish tray on the table he eats all the olives immediately. The pickles he inhales.

I bring the vegetable dish in first and Henry helps himself. By the time I bring in the meat he is on his second helping of vegetables.

I've told him it is rude to act like he is starving to death. He insists the house is as much his as it is mine and I have no right to tell him how to eat. Naturally I would never correct him in front of the women but I am embarrassed by his behavior. What can I do about it? — MARRIED TO A HOG

Dear Married: The solution is so simple I'm surprised you haven't thought of it.

Don't put food on the table until everyone is seated — not even bread, and certainly no olives or pickles. Buy a large platter and serve the meat and vegetables together. It's easy to outfox a hog if you use your head.

Confidential to Dying To Know: Don't die. It won't help. I never divulge the identity of those who write to me.

Give in or lose him... when a guy gives you this line, look out! For tips on how to handle the super sex salesman, check Ann Landers. Read her book, "Necking and Petting — What Are The Limits?" Send your request to Ann Landers in care of your newspaper, enclosing 50 cents in coin and a long, stamped, self addressed envelope.

Ann Landers will be glad to help you with your problems. Send them to her in care of this newspaper, enclosing a self-addressed, stamped envelope.

Summer Job Trainees Get Word . . .

# Courtesy Top Job Virtue

Nothing is as important as courtesy in dealing with tourists, a group of 45 young persons was told in a workshop at Bay de Noc Community College for training of summer workers on Saturday.

The workshop was asked by the Bays de Noc Recreational Resources Council and sponsored by it, Bay College, Michigan State University and the high schools of Delta County.

The young people were about equally divided between boys and girls. The girls studied food service under the instruction of Mrs. Andy Anderson of the Delona Restaurant and Miss Ingrid Tervonen, MSU Extension home demonstration agent, and retailing and the boys studied retailing and gas station operation.

The young people paid for their own lunch at the college and there was no other charge. Dr. Richard Rinehart, James Wren and Al Paquette of the college instructed the group and Willard Carne, operator of Carne's Station, and Mel Laug, district manager of Standard Oil Co., instructed in service station service.

Laug stressed courtesy and being well groomed. "I'd never hire anyone who wasn't well groomed," he said.

Joseph L. Heirman, MSU Extension director in Delta County addressed the group at noon on "It Pays To Know," and showed colored slides of the many scenic attractions of the Upper Peninsula.

He told the young people on what there is for tourists to see in the Delta Area, the distances to attractions and how to direct tourists to information centers like the Chamber of Commerce. We should, he said, be selling the whole Upper Peninsula to visitors.

The waitress and retail sales classes met at the college. "It's surprising how little some of our young people know about their home area," said Heirman.

## Reds Beefing Up Defense; Suffer Weekend Losses

(Continued From Page One)

ter and four bunkers at a U.S. 4th Infantry Division patrol and artillery base 11 miles west of Dak To in the central highlands. In more than seven hours of fighting, 14 U.S. infantrymen were killed and 56 wounded. U.S. fighter-bombers joined the battle and the enemy retreated in thick fog.

About 400 Viet Cong troops attacking with grenades, mortars and small arms killed five infantrymen of a U.S. 25th Division unit in night defensive positions on the northwestern outskirts of Saigon, six miles from the center of the city. The enemy withdrew early today.

As in the first two weeks of May, heavy fighting raged again around Dong Ha, headquarters of the U.S. 3rd Marine Division, 11 miles below the demilitarized zone.

### Battle 14 Hours

South Vietnamese infantrymen reported killing 99 enemy soldiers Sunday on the same battleground where government troops claimed 152 killed the previous day. Government losses in Sunday's battle were reported as one killed and one wounded, and casualties Saturday also were reported light.

U.S. Marines of the 4th Regiment ran into North Vietnamese troops in bunkers seven miles northeast of Dong Ha Saturday and reported killing 103 of them in a 14-hour fight. Aerial observers estimated that another 75 to 100 enemy soldiers, presumably back-up troops, were killed on the periphery of the action by air strikes and artillery. Sixteen Americans were killed and 33 wounded.

WILLARD CARNE of Carne's Service Station at Ludington and 23rd St., tells a group of trainees how to give courteous service to tourists as a part of the Bays de Noc Recreational Resources Council training workshop for summer employees held Saturday. It was sponsored by the Council, Bay de Noc Community College, Michigan State University and Delta high schools with 45 in attendance. (MSU Photo by Joseph Heirman)

## Obituary

### JOSEPHINE HOLOCHWOST

Funeral services for Mrs. Josephine Holochwost were held at 10 a.m. Saturday at St. George's Church in Bark River with the Rev. Thomas Dunleavy officiating. Burial was in the Bark River Cemetery. Pallbearers, all grandsons, were Larry and Timothy Holochwost, Joseph Skrobiak, Joseph Murray, Timothy and John LaFave.

### MRS. MARION TOBIN

Funeral services for Mrs. Marion Tobin were held at 11 a.m. Monday at St. Joseph's Church with the Rev. Isadore Walter officiating. Burial will be in Holy Cross Cemetery. The honorary escort included members of the Third Order of St. Francis. Pallbearers were Jim Botrow, George Coan, Roger Murray, Roger Kirch, Robert McDonough and William Baum.

### ALBIN ROSE

Complete funeral services for Albin Rose were held at 11 a.m. today at the Anderson Funeral Home with the Rev. Karl J. Hammar officiating. Burial was in Lakeview Cemetery.

### MISS DOROTHY MURPHY

Funeral services for Miss Dorothy Murphy were held at 9 a.m. Monday at St. Patrick's Church with Msgr. M. Melican officiating. Burial was in Holy Cross Cemetery. Pallbearers were Terry Desmond, Jack Fisher, Wes Klein, James Pryal, Dan Johnson and Tony Colombo.

### MRS. MARY LACROSSE

Funeral services for Mrs. Mary LaCrosse of Carney were held at 9 a.m. Saturday at St. Bruno's Church with Rev. Ralph Sterbentz officiating. Burial was in the Nadeau Township Cemetery. Pallbearers were Robin Preston, Richard Pavlat Jr., David Pavlat, Russell Berger, Dantel Jackomino, and Edward Wendland.

## Bikes Bring More

GRAND RAPIDS (AP) — City officials in suburban Wyoming are pondering this one. An auction sale of some 41 bicycles abandoned in the city brought a cross profit of \$510 while 28 derelict autos, one a 1961 model, went for a total of \$82.50. Police Sgt. Gilbert Klinge commented on the cars after the sale, "this was a poor bunch. No one was interested in bidding."

## Five Injured In 2 Crashes

Five persons were injured, none seriously, in two traffic accidents in Escanaba over the weekend, it is reported by Escanaba police.

Thomas Oliver, 19, of 1329 N. 18th St., suffered cuts about the face when his car struck a parked auto in the 1100 block, Sheridan Road, at 3:09 a.m. Sunday. The parked auto was demolished. It was pushed 54 feet and flipped against a light pole and was owned by Lawrence Lewis of 1108 Sheridan Road.

Oliver was ticketed for not having an operator's license on his person. He was treated at St. Francis Hospital and released.

Four persons were injured in the collision of two cars at Stephenson and Ludington St. at 10:19 p.m. Saturday, city police reported.

Mary Mott, 16, Bark River Rte. 1, and her two passengers, Susan and Rose Neubauer of the Chemical Location; and Duncan Bruce Hebbard, 704 S. 14th St., driver of the other car, were injured.

Over the weekend city police issued traffic court notices to:

Harry H. Viau, 2000 16th Ave. N., disobeying a traffic signal; William J. Shiner, 502 1st Ave. S., failing to exercise due care; Merle B. Valind, 1712 1st Ave. S., failure to stop in the assured clear distance; Richard J. DuBord, 411 S. 9th St., disobeying a traffic signal; Hector Escochea, Corpus Christi, Texas, disobeying a traffic signal and no operator's license on person; David W. Nedeau, 625 N. 16th St., Kathryn Ann Boucher, 921 Sheridan Road, William R. Sullivan, 100 S. 19th St., Kenneth E. Lucas, Negaunee, all for speeding.

## Thalidomide Trial Opens In Germany

(Continued From Page One)

and Japan and to have been marketed in a number of other nations.

The drug was withdrawn from the market in 1961 after a furor was raised over the growing number of deformed children.

Several cases were reported in the United States where Dr. Frances Kelsey, a federal drug administrator, blocked the sale. She was later honored by President John F. Kennedy. Some American women continued obtaining the drug from abroad, it was reported.

The reason for the U.S. ban will probably be aired at the trial which is expected to run for two years, exceeding the marathon Auschwitz war crimes trial.

The prosecution has invited 400 witnesses, including 29 scientific experts. The defense is expected to call at least as many. In addition there are about 300 plaintiffs, three prosecuting attorneys and a dozen defense lawyers.

The three judges and two lay jurors are backed up by three reserve judges and six alternate jurors in case of illness.

## Isabella

Mr. and Mrs. Isadore Bonifas have returned home from Mar-enisco where they visited with relatives and friends.

Mr. and Mrs. Pete Forslund of Chicago will spend Memorial Day at their home here. Mrs. Forslund will remain at the home for the summer months.

## County Board Petitions Set

Nominating petitions for candidates to the Delta County Board of Supervisors are available at the county clerk's office. Clerk William E. Butler announced today.

The petitions must be filed by 4 p.m. June 18.

Five supervisors will be elected to the board by partisan ballot at the November general election. Party candidates will be selected at the Aug. 6 primary.

Butler said the petitions must carry a number of signatures equal to not less than 1 per cent or more than four per cent of the number of votes cast in the district by such party for the office of Secretary of State in the Nov. 8, 1966, election.

By district in Delta County these are:

District 1—Democrats, 13-52; Republicans, 9-36; District 2 — Democrats, 14-56; Republicans, 8-32; District 3 — Democrats, 10-40; Republicans, 11-44; District 4 — Democrats, 12-48; Republicans, 11-44; District 5 — Democrats, 16-76; Republicans, 7-28.

The only announced candidate, to date, is Roy Jensen in District 3.

English is the official language of Liberia.

## Partial Victory Of Labor Fails To Win Unions

(Continued From Page One)

won their demands for greater freedom for union activities in the shops.

6. Workers will be advanced 50 per cent of the wages lost during the strike but it must be repaid by the end of the year. The unions had demanded that the strikers be paid for the time lost.

7. Pompidou agreed that the National Assembly would reopen the question of social security benefits lowered in 1967. He said the government could not repeal the law since this was a power of the legislature.

8. The union demand for a tight cost of living clause was postponed until next March.

## Aid Stations Set For State Boaters

LANSING (AP)—Ten first aid stations, the first of their kind, will be set up by the Red Cross to aid Michigan boaters on the Great Lakes this summer. Each station will have medical supplies and will be manned by persons with advanced first aid training. The stations will be located on Drummond Island and at St. Joseph, South Haven, Holland, Muskegon, Ludington, Frankfort, Grand Traverse Bay, East Tawas and Alpena.

## Death Claims Mrs. J. Wolfe

Mrs. Joseph Wolfe, 84, of Rte. 1, Carney died at 2:05 a.m. Sunday at St. Joseph-Lloyd Hospital in Menominee where she had been a patient for five days. She had been in ill health for the past five years.

The former Mary Agnes Schranka was born March 22, 1884 in Hungary and was married to Joseph Wolfe in 1903 in Hungary. He died in 1953. She was a member of St. Bruno's Church of Nadeau and had resided in the Carney area for the past 50 years.

She is survived by four daughters, Mrs. Julius Mikus and Mrs. Bernard O'Neil of Powers, Mrs. Henry Ondrejka of Milwaukee and Mrs. Claude James of Lakeland, Fla., three sons, Joseph of Carney, Frank of Wakefield and John of West Allis, Wis.; 15 grandchildren and 42 great grandchildren.

Friends may call at the Kell-Tondin Funeral Chapel after 2 p.m. Tuesday and parish prayers will be recited at 8 p.m. Funeral services will be conducted at 9 a.m. Wednesday at St. Bruno's Church with Rev. Ralph Sterbentz officiating. Burial will be in the Nadeau Township Cemetery.

The tarpon is not important as a food fish.

## Memorial Day Programs Set At Hermansville

HERMANVILLE — Memorial services at the Faithorn Cemetery, Hermansville Lake and the Hermansville Cemetery have been scheduled on Memorial Day Thursday by the Leo Floriano American Legion Post. Officer of the Day will be Joseph T. Urlick.

A flag raising ceremony is planned at 5 a.m. at the cemetery. Legion members will meet at the post clubrooms at 8 a.m.

Memorial services at Faithorn are scheduled for 9:30 a.m. with the ceremonies at Hermansville Lake set for 10:30. The program at Hermansville Cemetery begins at 11 a.m.

The program at the cemetery will include the Norway High School band. A memorial prayer will be delivered by Chaplain Lawrence Reid. Reino Hinch, Stambaugh, past commander of District 5, will offer the memorial address.

A lunch served by the Auxiliary is planned for noon at the Camp Seven clubrooms.

# outdoor chefs are very fussy!

Ever since the outdoor cooking fad began, we've been catering to the special needs of outdoor chefs.

Over the years, we've satisfied scores of thousands. Many, many find just the steak, chops or chicken they want in our self-service meat departments. Others have specific needs... the steak must be 2 1/2" thick, the chops double thick and so forth. That's no problem. If you don't see it...just ask. We'll be happy to help you.

One other reason we're so popular with "backyard barbecuers"... the quality of our "Super-Right" Meats. Quality so high, some meat graded U.S. Choice just isn't perfect enough to be "Super-Right" Meat. Is this a good reason for shopping A&P? It's one of many.

## Ruppe Says No Pension Hike In Sight This Year

"This is not a year for social improvements and I don't foresee an increase in social security benefits this year," 11th District Congressman Phil Ruppe told an audience at the Senior Citizens Drop-In Center Saturday morning.

"Rising prices are the worst curse of the American people in our nation today — even worse than the War in Vietnam."

Ruppe's remarks were in answer to questions posed by senior citizens on whether or not Congress would approve an increase in social security benefits.

**Spending Cuts**

Qualifying his remarks Ruppe said that inflation is the biggest problem we, as a nation, face.

"We must face up to the financial needs of the country and to halt inflation we must cut some spending," he said.

Possible budget cuts would include returning some of the 500,000 U.S. troops currently serving abroad; lessening the accelerated pace of our space program; stretching it out rather than frantically pushing ahead; and some cuts in foreign aid.

Asserting that a 10 per cent tax hike, the primary purpose of which would be to reduce our tremendous deficit, would

be better than an increase in the cost of living, Ruppe said he knew it would not be a popular proposition.

**Expects Housing Delay**

"A rise in the cost of living could conceivably mean an additional \$300-\$500 outlay for the average American family whereas a 10 per cent tax hike would not affect those on a fixed income — social security, pensions, etc. — and would be, roughly, under \$100 for most families," he explained.

In a later conversation Ruppe said that he doubted if Manistique's turnkey application for Senior Citizens Housing would be approved by Housing and Urban Development (HUD) this year although he said some money might be forthcoming in July or August out of fiscal 1969's budget.

Ruppe held conferences at the Court House in Manistique and made a brief appearance at the Post Office before his visit to the Drop-In Center. He left Manistique late Saturday afternoon for a Trainmen's Dinner in Escanaba where he was to speak.

The Chinese observe Oct. 10 as Independence Day. It commemorates the anniversary of the overthrow of the Manchu dynasty in 1911.

## Pick 4th Queen In June 13th

On June 13 a queen will be chosen to reign over the 4th of July "Old Fashioned Days" celebration in Manistique and will also represent Schoolcraft County at the U.P. State Fair in Escanaba in August.

Co-chairmen of the Queen Contest, Mrs. Jack Phillips and Mrs. Fred Lesica, said that any area girl who is single and between the ages of 16 and 23 is eligible to enter the contest.

Interested candidates should complete the coupon and send it, along with a black-and-white wallet size photo, to Mrs. Lesica, 526 Park Ave., Manistique.

Judging of the queen candidates will take place in the MHS auditorium on Thursday evening, June 13, at 7:30 with the following judges: Mrs. Merle Wehner, Mrs. Dan Estren, Pete Widdis, John Moffat and Raymond Krusic.

David Kelly and Rev. Kenneth Connors will act as Master of Ceremonies for the judging event with Mayor Leo DeMars crowning the lucky girl selected queen.

A reception will be held in the Home Economics Room of the high school following the coronation for all contestants, their guests, the judges, and other contest participants.

Refreshments will be served by a committee headed by Mrs. Donald Schulze.

Deadline for entering the contest is June 8.

Five flags—those of France, Great Britain, Spain, the Confederacy and the United States—have flown over Mobile, Ala., since its founding in 1702.

### Card of Thanks

#### Gentz

We wish to thank our neighbors and friends for their thoughtfulness during our period of bereavement. We especially thank them for the cards, food sent in, the loan of cars and many other acts of kindness. We thank the hospital staff and doctors, the pallbearers, and especially Mgr. F. M. Scherzinger.

The Family of  
William Gentz,  
Mrs. William Gentz,  
and Mr. and Mrs.  
Willard Gentz

## MANISTIQUE

### Dorothy Shipman Is Honored Here Friday

Friday night was unofficially "Dorothy Shipman Night" in Manistique as her many friends and neighbors turned out for ceremonies honoring her as Daughter of 1968 in a cultural night program in the MHS auditorium.

Mrs. Shipman accepted her award from Frank S. Hoholik, a longtime friend, following a biography profile by School Supt. Edwin E. Wuehle.

Cultural Night Activities got underway in the MHS auditorium at 8 p.m. with Robert Noe as master of ceremonies.

The newly-organized adult choir of St. Francis Church, accompanied by Robert Stram and directed by Father Daniel Zaloga, entertained with four selections.

**Five Get Diplomas**

Five adults were presented their high school diplomas by Denton Nelson, area school board president, following an introduction by Richard Bonifas, community school director.

Bonifas also introduced John Hicks, deputy director of NMU's public services division, who awarded citations to the school board members for their support of the community school concept in Manistique.

The problems of Chester Brown (Earl LeBrasseur) in coping with his wife Myra's (Billie Doyle) suspicions that he was involved with a striptease artist (Mary-Lloyd Parsly) delighted the audience as the Manistique Little Theater Group presented Jessie Clough's one-act play "That Blooming Lilac".

Helping the fun were Marvin Fredericksen, Katherine LeBrasseur, Marcella Quick, Jane Allen, and Kathy Novenske. Mrs. William L. Norton directed.

**Retired Librarian**

Mrs. Shipman received many congratulatory telegrams from family and friends and from notables such as Gov. George Romney, Lt. Gov. William Milliken, Rep. Charles Varnum and Adrian College President John Horton.

Mrs. Shipman retired in 1964

## Little League Pairings Set

Pairings for Little League play have been announced by the Manistique Jaycees, sponsors of Little League activities in Schoolcraft County.

All games start at 6:30 and where two games are scheduled for the same field, the second game will begin approximately 20 minutes after the end of the first.

Any games that are rained-out have to be made up. The two managers involved in rained-out games decide on time of make-up.

Tonight Cooks will meet First National at Cooks while the Locals meet State Savings at Little League field.

Tuesday will find Inland vs. VFW in Manistique and the Jaycees traveling to Hiawatha for their play.

Cooks will come to Manistique Wednesday to play the Locals at 6:30 and the second game Wednesday night will find First National vs. State Savings.

Play will resume on Friday after a Memorial Day break with Inland vs. Jaycees in a 6:30 encounter followed by VFW vs. Hiawatha later.

Michael L. Katzev, a research associate with the University of Pennsylvania Museum, will explore a wreck off the coast of Cyprus, near Kyrenia, of a ship which sank four centuries before Christ. The ship lies in 90 feet of water.

## Girl, 11, Has Poem Published

Lynne K. Bignall, daughter of Mr. and Mrs. Glenn Bignall, 626 Oak St., had her picture and her poem, "Trees," published in the "Our Younger Michigan Poets" column of the May Issue of the Michigan School Board Journal.

Lynne, 11 years old is a sixth grader in Mrs. Carla McKilligan's classroom at Fairview School. She wrote the poem for the creative poetry unit of the language class.

Lynne has been writing poetry since she started school. This is her first published work.

### Briefly Told

**City Council meets tonight at 7:30 in city hall.** A public hearing on the budget for the period July 1, 1968 to June 30, 1969 will be held and council will consider approval of a lease on city-owned dock property to Larko Chemical Co.

**St. Francis hot lunch menu for Tuesday** will include turkey salad, whipped sweet potatoes, homemade buns, chocolate cake, and orange juice.

### Obituary

FRANK RUBICK

Solemn funeral services for Frank Rubick were held Friday at 10 a.m. from St. Francis de Sales Church. Msgr. F. M. Scherzinger was celebrant; Rev. Father Robert Kennedy, deacon; and Rev. Father Dan Zolga, sub-deacon. Pallbearers were all grandchildren of Mr. Rubick: Seb Rubick Jr., William Mattlin, Justin McGregor, David Beaudry, Gary Demars, Harold Burse, Richard Rubick, and Jeffery Mattlin. Burial was in Fairview Cemetery under the direction of Messier-Broullre Funeral Home.

SAM WOOD

Funeral services for Sam Wood were held Friday at 2 p.m. from the Messier-Broullre Funeral Home. Rev. Mr. Ingmar Levin officiated. Mrs. Roy LaMarche was organist. Pallbearers were Tom Wood, Joe Wood, Gordie Gould, Leonard Gould, Jim Carney, and Peter Carney. Burial was in Fairview Cemetery.

Lactic acid is present in sour milk.

# Government Forests Are School Finance Problem

By JEAN WORTH  
MARQUETTE — Superintendent Edwin Wuehle of the Manistique Area School District told FORUM's recent conference on government land policy here at Northern Michigan University that the Manistique School District didn't have many worries before it took 7 townships into the city school district in a reorganization. It now embraces 900 square miles.

Some of the school children of the district have to ride a bus 35 miles to school; the district is that large and the population is that sparse.

Wuehle told the conference that Schoolcraft County has no problems like the Sylvania Tract acquisition by the Ottawa National Forest which removed 18,000 acres from the tax rolls in Gogebic County.

"We have so little left to acquire that's still in private hands," he explained.

**Taxes Decline**  
Wuehle said that the Forest Reserve (Pearson) Act coverage of Schoolcraft County privately owned forest lands increases. (It reduces taxes on

Edwin Wuehle

growing timber, makes up the difference in a severance tax when the timber is harvested.)

The Seney Wildlife Refuge removes 90,000 acres from the school district's tax roll. "The Hiawatha National Forest had excellent managers and fine citizens, but recently a private property on the tax roll for \$3,000 was sold to the federal government for \$70,500," said Wuehle. (Under Michigan tax law it should have been on the roll for \$35,250.)

## Examples Cited

"We can say that the price paid was too high, or that the tax assessment was too low."

## Wis-Mich Nuclear Power Hearings Set For June 25

CHICAGO (AP)—The Atomic Energy Commission has announced June dates for hearings in Manitowoc and Kewaunee, Wisconsin Electric Power Co. and the Wisconsin Michigan Power Co., plans a second nuclear power plant in the town of Two Creeks. The meeting will be held at Manitowoc on June 25.

The joint application of the Wisconsin Public Service Corp., Wisconsin Power and Light Co. and Madison Gas and Electric Co. to build a power reactor in the town of Carlton will be considered in a hearing on June 27 in Kewaunee.

The second Two Creeks reactor would be similar to one already under construction there and have an initial capacity of generating 454,000 kilowatts of electricity.

The Carlton request calls for a plant with a generating capacity of 527,000 kilowatts of electricity.

## Highway Finished, Can't Get To It

WELLINGTON, Colo. (AP)—This small northern Colorado community had to call off the scheduled celebration of the completion of a new highway, Colorado 1, through the town.

Twenty-four hours of constant rain made the unpaved side streets too muddy to carry traffic, officials said.

The average Upper Peninsula school tax is \$20.24 mills. At this rate and \$3,000 valuation our schools would have received \$61.62 from this property a year. Since it was sold to the federal government the school district gets \$10.11 a year. The property had an increase in value of 1175 per cent and the schools' revenue from the property is now only 16.5 per cent of what it was.

"Another property valued at \$22,885 sold to the federal government for \$220,000. It returned \$460.45 in actual 1967 taxes but this year will bring only \$91.60, a 480 per cent increase in value and an 80 per cent decrease in revenue.

"Educational costs are going up. We would have no problem meeting them if every citizen could serve on a board of education. Our salaries and fringes are increasing about 10 per cent each year and 60 per cent of our budget is in salaries. Our costs go up and our revenue from government lands does not go up."

## School Needs

"Government pays nothing for school buildings, nothing for special education, not a penny toward vocational education, nothing for community colleges. As government land increases, our revenue decreases."

"The 1960 census showed that the Upper Peninsula's average of families with income under \$3,000 a year (poverty level) was higher than the state average. In three U.P. counties it was twice the state average, so the ability to pay (for schools) is not there."

"Eighty-four per cent of our land holdings are government-owned or controlled and the revenues from these sources are four per cent of our budget."

## St. Olaf Honors Justice Warren

NORTHFIELD, Minn. (AP)—Chief Justice Earl Warren says current divisions in the United States are "outcroppings of the desire of the vast majority of our people for a better life for every American."

"There is a certain cynicism abroad today to the effect that our society has stagnated," Warren said. "I challenge that concept and assert that our country is a young country and has all the attributes of greatness."

Warren received an honorary doctor of humane letters degree Sunday at St. Olaf College.

## Killed By Tractor

MATTAWA (AP)—A Van Buren County farmer was killed Saturday in a farm accident. Sheriff's deputies said Ray Middleton, 62, apparently parked his tractor on an incline to check the gasoline supply. The tractor rolled forward, crushing him.

## Romney's Budget Nears Approval

By JIM NICHOLS  
LANSING (AP)—Gov. George Romney's proposed \$1.3 billion state general fund budget is well on its way toward final legislative approval and should be finished in plenty of time for the coming fiscal year.  
The Legislature—which faced some hectic budget sessions last year because of fiscal uncertainty surrounding the income tax issue—has moved this year to speed the spending bills through.  
"Since I've been here, this is the first year the budget bills have run ahead of the other bills," says a happy Glenn S. Allen, state budget director, who is working on his sixth set of annual appropriations bills.  
True, the House and Senate still disagree somewhat on 11 of the 15 major spending bills and the points in dispute total a respectable \$11.5 million.  
**Negotiating Now**  
But the two chambers are negotiating now, and July 1—

the start of the new fiscal year—is still four weeks away.  
If each bill passed with the spending total approved by the second chamber to consider it, a budget of \$1.342 billion would be laid on the governor's desk. That won't turn out to be the exact figure, but it will be fairly close.  
The amount is \$8 million more than Romney recommended in his January budget message and \$5 million more than the state expects to collect in general fund revenue during the period.  
It's also about \$200 million more than the state is spending in the year which ends next month.

Spokesmen for the state's educators say the Legislature's hurry-up approach to setting the new year's budget has already produced one desirable result.  
**School Aid Signed**  
The \$374 million school aid bill is through the House and Senate and was signed by Romney April 30—some 2½ months earlier than last year. School people say that makes it much easier for them to plan their budgets and negotiate contracts with their teachers.  
The same is true of other state agencies, who divide the rest of the \$1.3 billion. The sooner the budget bills are in their final shape, the sooner the agencies are able to begin detailed planning of programs and projects for the new fiscal year.

Also, work on the social services (welfare) appropriation, traditionally one of the biggest and most controversial of the bunch, has been completed and the \$229.4 million bill is on its way to Romney.

**Contrast To 1967**  
This year contrasts markedly with last year, when members of the Legislature's budget-writing appropriations committees held back the budget bills until they saw what would happen to Romney's revenue-raising tax reform program.

They knew that if lawmakers passed the controversial state income tax and the rest of the revenue package, the budget could be pegged at around the \$1.1 billion Romney then recommended. If not, drastic slashes would be needed to balance the books.

The tax bills passed and the spending bills followed—but were not signed into law until after the current fiscal year had begun.

Things are going much better this year.

## Michigan No. 1 Pickle Packer

EAST LANSING (AP)—In this week of the pickle, proclaimed by Gov. George Romney, pertinent facts are in order:  
—Michigan last year produced more picklers—cucumbers for processing—than any other state, a total of 117,640 tons worth \$13 million.  
—Producers put the state in 10th place with a \$701,000 crop of 96,000 hundredweight of slicers, the cucumbers found fresh at market.  
—A pickler has spines and a thin skin suitable for processing, while a slicer is smooth and thick-skinned.  
—Michigan State University Scientists are working to expand the state's cucumber production even further.

"We have a considerable amount of work going on," says Dr. Clark Nicklow, assistant professor of horticulture. Much of that research, he says, is concerned with the "serious problem" of switching from hand to mechanized harvesting.  
To date, mechanical harvesting has been economically impractical because of the cost of harvesters and density of cucumbers to the machines to work on, Nicklow says.

So MSU researchers are working toward a cucumber variety that produces more fruit per acre than the types now planted.

Forces behind the state's cucumber pickle industry are planning a "pickle field day" Aug. 6 at a farm near Dansville. Activities will include all phases of pickling cucumber production with emphasis on the direction of future growing methods, Nicklow says.

### Isabella

**Card Party**  
Mrs. Caleb Johnson was hostess to a card party at her home on Tuesday afternoon. Games were played with Mrs. Eddie Groleau, Mr. Raymond Nadeau and Mrs. Caleb Johnson winning prizes.

**Hospital**  
Willie Gounin had his kidney removed this week at the Veteran's Hospital in Iron Mountain. His condition is satisfactory.

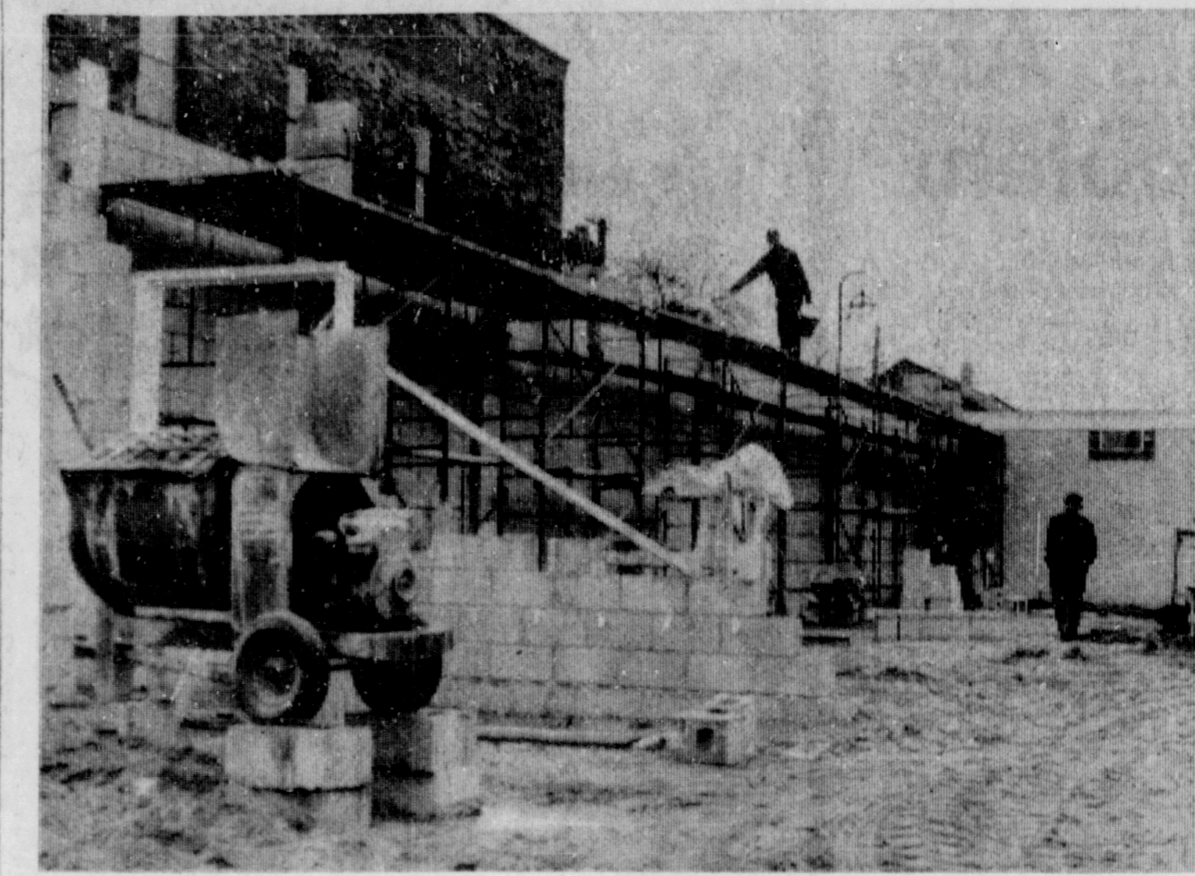

Martin Olson went to the Veteran's Hospital for his check-up Thursday.

The Memorial Day planning committee met Wednesday evening at the home of Mrs. George Johnson, chairman. Plans were made for the dinner to be held Thursday, May 30, at 11:30 at the Isabella Community Hall. The public is cordially invited.

Elmer Lake had the misfortune to injure his eye by a piece of steel from a wedge he was pounding at his home. Mr. Lake was taken to a Marquette hospital.

Mr. and Mrs. Mike Sundling of Detroit are spending their honeymoon at the Pete Sundling cabin at Isabella.

Sally Nedeau is visiting relatives and friends at Kalama-zoo.

BRANDT CONSTRUCTION CO. is progressing with construction of a new store building for Christensen's, the furniture, floor covering and drapery shop of 505 Ludington. The new store building on 1st Ave. N., backs on the Christensen display warehouse, visible at rear, which is across the alley from the store, which will be continued as the main sales area of the business. The new 85x48 foot building will have a brick Colonial front on 1st Ave. N. and provide space for room type furniture displays. (Daily Press Photo)

## Sterling Heights Vote Gives State New City July 1

STERLING TOWNSHIP (AP)—Michigan will have a new city July 1 when Sterling Township becomes Sterling Heights.  
Voters approved the city charter, calling for a city manager form of government, Saturday, 3,492-2,614.

More than 43 per cent of the 14,000 registered voters went to the polls.  
Last December, voters rejected a city charter calling for a mayoral form of government.

Located between Utica and Warren, Sterling Township has a population of more than 30,000.

Named to the first city council were Gerald N. Donovan, F. James Dunlop, James E. McCarthy, Al Martin, Stanley E. Rainko, Richard D. George, and Anthony Dobry. One of them will be selected mayor.

The township clerk and two township trustees lost out on bids to gain council posts.

Voters also named two justices of the peace, George F. Bunker and Gordon E. Havey, to terms as municipal judges.

## Young Williams Backs Humphrey

WASHINGTON (AP)—G. Mennen Williams Jr., son of a six-term Democratic governor of Michigan, has joined the presidential campaign of Vice President Hubert H. Humphrey.

The national headquarters of United Democrats for Humphrey said that Williams has joined the staff of the organization's Michigan branch, in Detroit.

The elder Williams, who backed John F. Kennedy over Humphrey for the 1960 Democratic presidential nomination, is now ambassador to The Philippines.

THOMAS K. DUCHAINE, Navy Storekeeper 3rd class, son of Mr. and Mrs. Thomas Duchaine, 323 S. 14th St., has been promoted to his present rate while serving aboard the U.S.S. Pollux AKS 4, homeported at Yokosuka, Japan. The Pollux is a supply ship of the U. S. 7th Fleet and makes regular runs from Japan to the Yankee Station operating area off the coast of Vietnam to supply combat ships. The Pollux was recently awarded the Meritorious Unit Commendation by the Secretary of the Navy for duty in a combat area. Duchaine has been assigned to the Pollux since November 1966 and during this time has completed 7 deployments to the Vietnam area.

Buy and sell the classified way.

## Antiwar March Time Is Past: Mary McCarthy

LONG BEACH, Calif. (AP)—Mary McCarthy, daughter of Sen. Eugene J. McCarthy of Minnesota, says the time for antiwar marches is over.

"I took part in the Pentagon march," said the 19-year-old daughter of the candidate for the Democratic presidential nomination. "But I left when it began to tend toward violence. I don't approve of violence."

"Besides, I think the time for antiwar demonstrations is past. The purpose of demonstrations is to make a point of view known. I think the point has been made."

## Policeman Kills Knife Wielder

MUSKEGON HEIGHTS (AP)—A 23-year-old Muskegon Heights man has been shot to death by a Muskegon Heights policeman. Patrolman Charles Jackson said he shot Robert Hall when Hall continued to make threatening gestures with a butcher knife after he had fired a warning shot.

A second officer, Patrolman Caesar Cramer, was slightly wounded in the hand in a scuffle with Hall.

Police said they were called to Hall's home Saturday because of a reported disturbance involving Hall and an unidentified 19-year-old girl.

## Senate Okays Sunday Liquor

LANSING (AP)—Sale of liquor on Sunday won Senate approval last week as legislators agreed to extend the deadline for passage of bills.

Senators voted 21-15 and sent to the House a bill permitting liquor to be served after 2 p.m. Sunday. The measure is similar to a bill passed by the upper chamber last year that was defeated in the house.

It permits liquor to be served only by establishments such as resorts, restaurants and hotels that receive more than 50 per cent of their income from sources other than bar revenue.

Sen. John F. Toeppe, R-Clallac, amended the bill to prohibit liquor sales until 2 p.m. The original bill called for sales to begin at noon.

Toeppe argued that churches often conduct noon services.

Senate Majority Leader Emil Lockwood, R-St. Louis, declined to predict whether the measure would win House approval. But he said House Floor Leader William P. Hampton, R-Bloomfield Hills, pledged his support.

The Legislature also extended until midnight Tuesday the deadline for passage of bills—many of them controversial.

The two-day extension came hours before the scheduled Friday midnight deadline.

The Senate reversed its position Friday on a bill calling for compulsory arbitration of labor disputes involving police and firemen.

In the morning, the measure was approved 20-16, but the vote was reconsidered this afternoon. The bill failed to gain a majority and was defeated.

Opposition to the measure stemmed from an amendment that would permit fines of up to \$10,000 daily for any public employee group conducting a work stoppage, forfeiture of dues and loss of representative status for any union involved.

The amendment applied to all

public employees, including teachers, firemen and policemen.

In other action, the upper chamber approved conflict of interest bills relating to state and public officers.

A legislator found in violation of the bill would be subject to disciplinary action by the house of which he is a member. State officers would be subject to disciplinary action by the governor.

## Garden Peninsula Auxiliary Dinner

Kate Deloria and Charlotte Stellwagon attended the Hospital Auxiliary spring dinner at the Arrowhead Inn in Manistique on Monday, May 20. Movies were shown on eye structure.

Mr. and Mrs. John Boudreau of Adrian are spending 10 days at the Boudreau Homestead Camp and visiting relatives in the area.

Mr. and Mrs. Melvin Bauman of Appleton, Wis., Mr. and Mrs. Barry Bauman and Mr. and Mrs. William Weyenberg of Kaukauna, Wis., were weekend guests of Mr. and Mrs. William Swear.

Mr. and Mrs. M. H. Kelly of Ludington are spending several days at the John Parsly's, Laughing Gull Resort.

## Danforth

**Birthday Party**

The Birthday Club met at the home of Mrs. Arthur Monson Thursday afternoon. Cards were played with the high scores going to Mrs. Wallace Irving and Mrs. Knute Swanson. Consolation prizes were awarded to Miss Agnes Mattson and Mrs. Felix Johnson. The guest award was presented to Mrs. Irving. Lunch was served after the games.

Tuesday, May 28, 1:15 p.m. - Women's Association luncheon.

**Central Methodist**  
Tuesday, May 28, 6:45 a.m. - Men's Breakfast Fellowship group.

## THE GIFT SHOPPE

Rapid River, Michigan

NOW OPEN FOR THE SEASON

Mrs. Donald Montgomery (Lee's Studio)

# Kris T. Johnson Bride Of Donald Montgomery

Miss Kris Tina Johnson of Rapid River became the bride of Donald Ray Montgomery of Kipling during a double ring ceremony performed at the Chapel of St. Anne's Catholic Church, Escanaba, on Saturday, May 18.

The Rev. Stephen Mayrand officiated at the nuptials at 12 noon. The bride is the daughter of Mr. and Mrs. Everett C. Johnson of Rapid River and parents of the bridegroom are Mr. and Mrs. Wilbur F. Montgomery of Gladstone.

**White Organza**  
The bride chose for her wedding a street length gown of white organza styled with bell-shaped elbow length sleeves and embroidered with daisy appliques.

A bouffant shoulder length veil of silk illusion formed her headpiece, and she carried a bouquet of white carnations accented with daisies and ivy.

Honor attendants were Miss Kathy Viau of Rapid River, and Brent Baum of Escanaba, friends of the couple.

Miss Viau was attired in an A-line yellow linen street length dress fashioned with a scoop neckline and short sleeves. Her headpiece secured a short yellow illusion veil and she carried a bouquet of white daisies.

**Mothers' Attire**  
Mrs. Johnson wore for her daughter's wedding, a brown and white coat and dress ensemble with matching accessories. Mrs. Montgomery chose a mint green ensemble with beige accessories. Both mothers were presented corsages of white and yellow carnations.

A reception was held at the Dell's Super Club from 2 to 4:30 p.m. After returning from a honeymoon trip through Wisconsin the couple will be at home in Kipling.

The bride is a 1965 graduate of Rapid River High School and is presently employed as a secretary by Michigan Consolidated Gas Company.

Mr. Montgomery is a 1964 graduate of Gladstone High School and he attended Michigan Technological University in Houghton. He is presently employed by the Upper Peninsula Power Co.

Guests attended the wedding from St. Paul, Minn., Rapid River, Gladstone and Escanaba.

# Escanaba Area Residents Return From Sunny South

By JANET MARTIN

Travel has become very much a part of the American way of life in recent years and Escanaba area residents are no exception as evidenced by the following list of area people who wintered in warmer climates.

Leaving our northern winter far behind they journeyed all over these United States from Florida, to California, to Hawaii and also to many of the islands. Most of them have now returned to enjoy a pleasant summer back home.

Mr. and Mrs. John Anthony spent the winter visiting at Grand Cayman B.W.I. San Jose, Costa Rica; Mr. and Mrs. A. C. Baudick, Florida; Mr. and Mrs. Manley Anderson, Florida; Mr. and Mrs. Kryn Bloom, Florida; Mr. and Mrs. Carl Benzinger, Cape Coral, Fla.; and Mrs. Lucille Bissell, California.

Mr. and Mrs. Burton Butler, Florida and Nassau; Mrs. Walter H. Dickson, Florida; Mr. and Mrs. George Douglas, Pompano Beach, Cape Coral, Fla.; Mr. and Mrs. John G. Erickson, Pompano Beach, Fla.; Mr. and Mrs. George Eastin, Abuco, Fla. and the Bahamas and Miss Becky Eastin, Bahamas.

Mr. and Mrs. James Fitzharris, Pompano Beach, Cape Coral; Mr. and Mrs. A. W. Freeman, Cape Coral, Fla.; Hubert Shepek, Florida and Mississippi; William Shepek, Florida and Mr. and Mrs. Paul Snyder, Miami Beach, Fla.

Mr. and Mrs. John Farley of Gladstone, Florida; and Mr. and Mrs. William Olson of Gladstone, Florida.

Mr. and Mrs. Donald Goulais, Hollywood, Fla.; Mr. and Mrs. Art Goulais, Hollywood, Fla.; Mr. and Mrs. Forest Henslee, Las Vegas and California; Dr. and Mrs. Raymond Hockstad, Florida and Jamaica; Mrs. H. H. Hughett, Florida and southern states; Mr. and Mrs. Charles Kaiser, Alabama and southern states and Mr. and Mrs. Merritt Kasson, Cape Coral, Fla.

Mr. and Mrs. John Lasnoski, Texas; Dr. and Mrs. Donald LeMire, Ft. Lauderdale, Fla.; Dr. and Mrs. William LeMire, Scottsdale, Ariz.; Mr. and Mrs. Robert LeMire, Fort Lauderdale, Fla.; Mr. and Mrs. John

A. Lemmer, Florida; Mrs. Norman Lindquist, California and Mrs. Louis Hoyer, California. Miss Helen Gunkle, Florida; Miss Marguerite Roberge, Florida; Dr. and Mrs. Thomas McInerney, tour of battlefields to Florida; Art Moberg, Florida; Mr. and Mrs. Leslie Olson, Cape Coral, Florida; Dr. and Mrs. Donald Fitch, Aspen, Colo.; Nevin Reynolds, Florida and Mr. and Mrs. Percy Rosemurgy, Pompano Beach, Fla.

Dr. and Mrs. Robert Ryde, Key West, Fla.; and Dr. and Mrs. Otto Hult, of Gladstone, Key West, Fla.

Mr. and Mrs. Frank Neumeier spent a week in New Orleans in February; Mr. and Mrs. Charles Neumeier six weeks in Florida; Mr. and Mrs. Art Olson visited relatives and friends in Florida; Mr. and Mrs. Clifford Frasher, Florida and Pittsburgh; Mr. and Mrs. Aino Hakala, several weeks in Minneapolis, Seattle, and Canada.

Mr. and Mrs. Frank Wawirka, two months in Mississippi; Mr. and Mrs. Melvin Mancke, a month in Hollywood, Fla.; Mr. and Mrs. William Taylor, several weeks in Florida; Mr. and Mrs. Warren Johnston, a month visiting in Hawaii, Washington, D.C. and Detroit; Mr. and Mrs. John Sepic and Mr. and Mrs. Francis Londo, three weeks in Eustis, Fla. area.

Mr. and Mrs. Ben Douglas, two month vacation stay in Hollywood, Fla.; Mr. and Mrs. John Vanlerberghe and sons, vacation trip to Florida; Mr. and Mrs. James Schultz, a week in Las Vegas, Nev.; Mr. and Mrs.

John Grettum, two weeks in Florida; Mr. and Mrs. Gary Cyr, Florida; Mr. and Mrs. David Schweitzer, 10 days in Hawaii. Mr. and Mrs. Robert Owens, Florida; Mr. and Mrs. John Seppanen, three weeks in California; Myrna Norman, Bark River, the Bahamas; Donna Bittner, Bark River, vacationed in the Bahamas; Richard E. Puddy and Ronald Parlato, Florida; Robert Bushey, Florida; Esther Palmer, Florida.

## C. Segerstroms Celebrate Their Golden Wedding

Mr. and Mrs. Claude Segerstrom of Cooks marked the 50th anniversary of their marriage on Saturday, May 18. They renewed their wedding vows at a ceremony at their home in the presence of members of their immediate family. The Rev. James Hebein officiated.

Claude Segerstrom and Olive Roberts were married May 14, 1918 in Saint Mary Magdalene Rectory, Cooks, by the Rev. Gavigneau. Attendants were Eric Roberts and Sylvia Roberts, both deceased.

A reception for 200 friends and relatives was held Saturday at the Cooks Town hall. For the occasion, Mrs. Segerstrom wore a light blue crepe dress with matching blue lace coat and blue accessories. She was presented a corsage of yellow roses.

The Segerstroms are the parents of eight children, Edward of Fort Wayne, Ind., Olive Deuparo and Thelma Bowen of Detroit, Aldean, Jerome and Romaine Mohn of Cooks, David, Adrian, Mich., and Loreta Knoph of Manistique. They also have 45 grandchildren and three great grandchildren.

## Rings Returned

SEATTLE (AP) — Last January, Mrs. Albert James dropped her wedding and engagement rings in the snow when removing a ski glove at Snoqualmie Pass. Forest Ranger Ken White told her he would chart the spot and look for the rings when the snow melted.

Mrs. James had them back Saturday. White's son, Greg, 6, found them.

## Kindergarten Graduation Is Held At Rock

Kindergarten graduation was held at the Rock School Wednesday afternoon, May 22, and 24 students received their diplomas.

The procession was played by the Rock School Band, followed by songs by the kindergarten class.

John Small presented diplomas to the following: Donna Berg, Marie Brunette, Michael Connors, Daniel Croasdel, Scott Delke, Joanne Fick, John Fournier, Laurie Grimes, Ernest Hadal, Dwayne Hamersmith, Evelyn Hilling, Keith LaChapelle, Dennis Lacosse, Lori Lancour, Ronald Lehtikangas, Michael Lepisto, Vicki Lippens, Lynn Liukkonen, Todd Lusard, Thomas Niemela, Bonnie Norkool, Yvonne Pinney, Timmy Seger, Jeffrey Smill.

A piano recital by the elementary grade students followed the graduation program. About 45 students who have taken piano lessons at school during the year under the direction of Mrs. John Kaminen took part in the program.

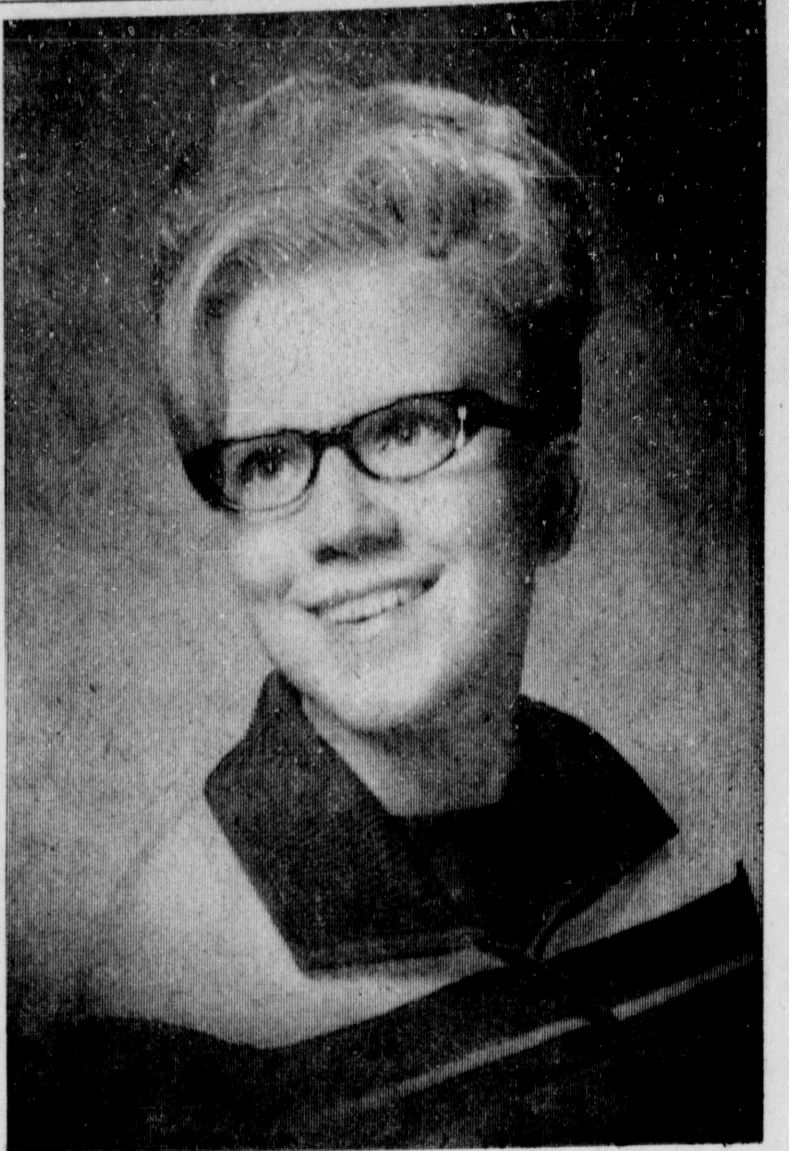

Only about one third of these students have a piano at home reports Mrs. Kaminen, yet they have done very well in learning to read music and playing the piano.

After the recital, coffee was served in the home ec. room by the 10th grade home economics class, under the direction of Miss Marie Waisanen. Parents and friends attended the afternoon festivities.

## Mothers Urged To Guard Baby Against Tumbles

DETROIT (AP) — The first time a baby takes a fall, it's mostly likely to hurt its head, a Detroit physician says. A study of infants' first tumbles conducted by Dr. Margaret Z. Zolliker of the Detroit Health Department shows a domination of head injuries.

Dr. Zolliker urged mothers with new babies to begin the habit of not leaving a child alone any place where he or she could roll over, crawl or scoot, then tumble head first to the floor.

MR. AND MRS. Arne I. Juntunen, 412 S. 16th St. announce the engagement of their daughter, Cheryl Rae, to Jan D. Bast, son of Dr. and Mrs. Gilbert Bast, 1015 1st Ave. S. Both young people are attending Northern Michigan University at Marquette. An Aug. 31 wedding is planned by the couple. (Lee's Studio)

## Student Pastor To Serve At Trinity, Calvary

RAPID RIVER — Darrell B. Urban, a student at Northwestern Theological Seminary, St. Paul, Minn., will serve the Trinity and Calvary congregations at Rapid River this summer under the Leisure-Recreation Ministry Program of the Board of American Missions.

This program provides financial aid to congregations in recreation areas who secure students to assist the pastor to carry out a program of services to tourist and summer residents. This is the third year that a student has been present to work in the parish.

Mr. Urban will conduct worship services at Trinity, Stonington; assist in the vacation church school programs; work with the youth in the parish; and call on the summer home residents and tourists, inviting them to worship services.

Two services will be held at

Calvary, Rapid River each Sunday, making it possible for the members of the congregation to attend worship and yet take advantage of the summer recreation in the area.

Urban is a graduate of Augsburg college in Minneapolis, has done inner-city work in Chicago and has worked as a social caseworker at Big Brothers Inc. in Minneapolis for two years. His wife, Nancy, is an elementary school teacher.

Beginning Sunday, June 2, services will be held at 10 a.m. each Sunday at Trinity, Stonington, and at 8:30 and 10:45 a.m. at Calvary, Rapid River.

"The colony of Virginia," said the first Enclopaedia Britannica in 1768, "may be extended as far westward as we think fit."

# Menominee Crowned U.P. Track Champs

MARQUETTE — Menominee captured three first place finishes and was runnerup in four others to take top honors in the Class A-B division of the Upper Peninsula high school track and field meet.

L'Anse and Pickford swept to team victories in Class C and D in the tournament held at Northern Michigan University.

Menominee firsts came in the two-mile run, where Gordon Pekuri set a new U.P. record, the mile run and the shot put.

Pekuri had a 10:11.45 clocking in his record setting performance.

Jeff Stevenson of Munising and Bruce Jacobson of Ishpeming were the only double winners in the Class A-B division. Stevenson captured firsts in the long jump and the high hurdles, while Jacobson copped victories in the 100 and 220 yard dashes. Stevenson set a new record of 15.15 in the low hurdle preliminaries.

John Vardigan of Escanaba placed first in the pole vault with a jump of 12 feet, two and five eighths inches. Other area athletes placing in the meet were Allen Berg, Steve Jurmu, Rick Anderson, Tom Anzalone, John Breitenbach and Jerry Cole of Escanaba; Pat Verhamme of Holy Name; Gary Ellison, Dan LaCrosse, Dick Lorenson, Steve Schram and Dean Culliton of Gladstone and Gary Sample and Larry Wood of Manistique.

Area athletes placing in Class D events were Steve Pyke, Dan Safford, Mike Beck, Steve Pike, and Dale Morin of Rapid River, Morin with a first in the high hurdles and a second in the lows; Leif Benson, Jim Lehtomaki and Jim Seppanen of Eben; and Herb Pomeroy and Charles Thelander of Big Bay de Noc.

Class A-B scoring — Menominee, 40; Ishpeming 31; Iron Mountain 22; Escanaba and Gladstone 21; Munising 17; Rudyard and Ironwood 16; Kingsford 12; Calumet 11; Ne-gaunee 7; Iron River 4; Manis-tique 3; Holy Name 2 and Mar-quette 1.

Class D scoring — Pickford 50; DeTour 33½; Rapid River 20; Dollar Bay 21; Eben 14; Channing 12½; Cassen 9; Engaine and Painesdale 8; Baraga 7; Cedarville and Republic 6; Channing, Big Bay de Noc and White Pine 5; Eben-Trou Creek and Soo Loreto 4 and Ironwood Canyon 1.

Results:

CLASS A-B

High Jump — Foster (R); 2. Erickson (Ish); 3. Berg (E); 4. Verhamme (Hn); 5. Stevenson (Mns); 6. 10.

Long Jump — Stevenson (Mns); 2. Joe Perrie (Iwa); 3. Schnupp (Ish); 4. Jacobson (Ish); 5. Berg (E); 19.3½.

100 Yd. Dash — Pekuri (Men) 2. 2. Baker (E); 3. Krause (C); 4. R. Pekuri (Men); 5. Jurmu (E) 10:11.45.

One Mile Run — Hase (Men) 2. Schnupp (Ish); 3. Parkkonen (Ish); 4. Smith (Men); 5. Jackson (Iwa) 4:39.3.

## Merchants Win Season Opener

The defending champion Escanaba Merchants opened the 1968 softball season with a 5-3 decision over Flat Rock. Bill McGovern hurled the victory for the Merchants, while Billy Smith of Flat Rock took the loss.

The Merchants scored five runs on nine hits compared to Flat Rock's three runs on six hits. The Merchants opened the scoring in the first inning as Dick Koski tripled to score Bill Goudreau and Don Martineau. Koski later scored on an error.

Flat Rock tied the score in the third inning, but the Merchants wrapped it up in the 6th inning with two more runs. Koski led the Merchants at bat with his triple and a single in four trips to the plate.

Meat defeated Trenary, 10-0, in the nightcap.

The Merchants will meet at 5:30 Wednesday night at Snyder's Shell to travel to Trenary for a league game.

Tonight's regularly scheduled league games have been postponed due to rain.

## Little League Opener Marked By No-Hitter

Veteran Kiwanis pitcher Jim Moberg wrote his name in the Escanaba Jaycee Little League record book Saturday when he opened the 1968 season with a 13 to 0 no hit no run victory over Exchange. En route to his first win of the season, Moberg walked seven and wiffed 17 in the six inning tilt.

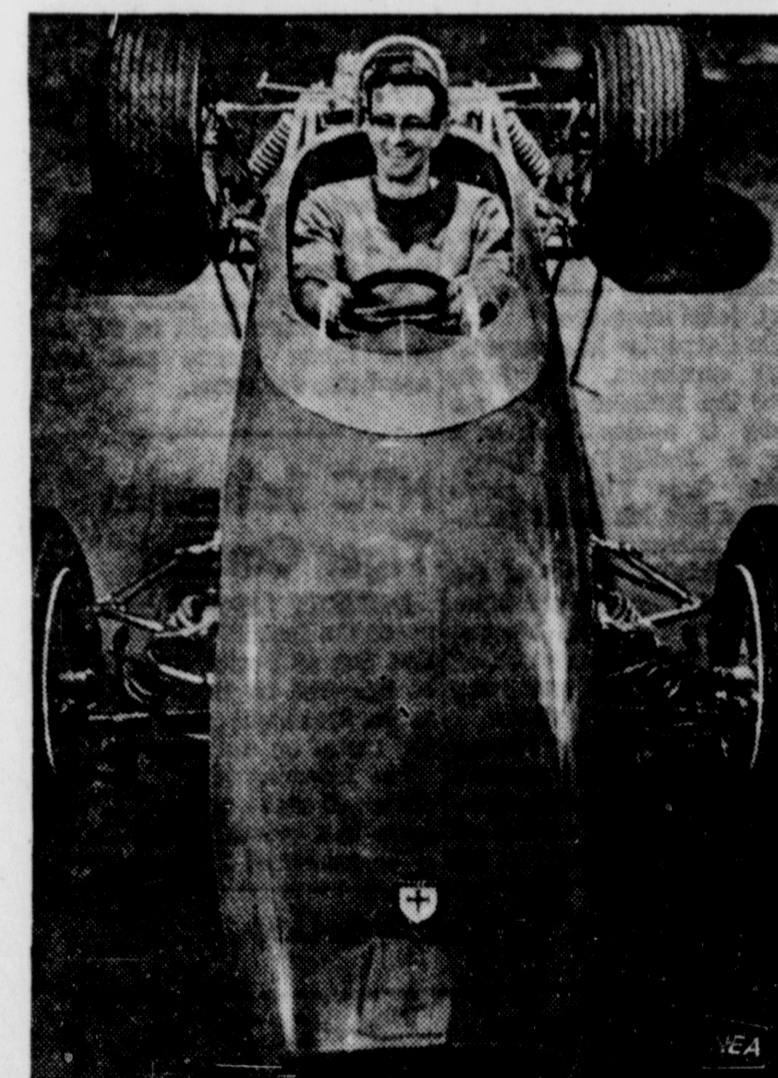

A routine ground ball, Gary Bougie to John Hirn, in the second inning was the play that prevented Moberg from tying the single game strikeout record held by Rod Greenwood. Rookie Tom Mitchell paced the 12 hit Kiwanis attack against Exchange with four hits in five trips.

In the mid afternoon games Don Kleiman threw a one hit-

ter as Lions beat the Eagles 4 to 1 and Dave Nelson matched his effort with a 6 to 2 victory over V.F.W. for the Bankers. The big blow in the Banker victory was a three run homer by Bob DuPont.

In the night cap Jim Nevala was pretty much the story for Rotary as he shut out Credit Union 8 to 0 on a two hit effort. Nevala helped his own cause with back to back home runs and had a perfect day at the plate with three hits in three trips.

In Memorial Day action Kiwanis runs head on with Lions in a game that will probably see Moberg back on the hill for Kiwanis, while the Lions may go with either Kleiman or Jeff Young.

SPEEDY IMPORT, this racer is said to be the only car of its kind in the United States. The Irish-designed chassis has an aluminum Alfa Romeo engine and transmission and reportedly reaches speeds of 175 hours an hour. Owner Bruce Klusman, 29, a Bradford, Pa., truck fleet maintenance supervisor, modified and assembled the car, which cost \$8,500, and plans to race it this summer on the Formula B circuits.

EQUAL OPPORTUNITY EMPLOYER

THE NEW, THE OLD AND THE BOLD — Newcomer Nolan Ryan (right) is striking out NL batters in record fashion this season and the Senators' slugging giant, Frank Howard (left), is sending AL pitchers to the showers with his menacing bat while veteran Pancho Gonzalez (center) is finding the years and the youngsters catching up with his tennis game.

## Athletics Add Insult To Injury Scoring 7-6 Victory Over Tigers

By The Associated Press

The next time the Detroit Tigers visit the American League's newest city they're liable to show up in armor-plated flannels.

In splitting a pair of weekend decisions with the brash, young Athletics in Oakland, the Tigers:

—Had three starters, including Al Kaline, knocked out of commission.

—Had another regular banished following a Sunday free-for-all.

—And had their league lead cut to one game by Baltimore's streaking Orioles.

Pinch hitter Rene Lachemann added insult to injury in Sunday's brawl-marred series finale, stroking a run-scoring single in the 10th inning to give the A's a 7-6 victory.

Elsewhere, the Orioles outscored Washington 8-7 for their fifth straight victory, Minnesota nipped Boston 5-4, Cleveland beat California 5-2 and the New York Yankees took a double header from the Chicago White Sox 5-1 and 7-6.

The Tigers and A's battled to a 2-2 rain-abbreviated tie in Friday night's series opener. The Tigers won 2-1 Saturday night, but lost Kaline for two to three weeks when the injury-plagued outfielder was struck by a Lew Krausse pitch and suffered a hairline fracture of his right forearm.

In the same game, Detroit second baseman Dick McAuliffe tossed his bat in disgust while running out a pop fly, tripped over the bat and severely bruised his thigh. He sat out Sunday's game, and slugging outfielder Willie Horton joined him on the sidelines in the fourth inning after injuring his leg while running out a bunt single.

Depleted by the injuries, the Tigers fell behind 6-0, then scored twice in the fifth and struck for four runs in the sixth to knot it at 6-6.

After Dick Tracewski drove in the tying run with a sacrifice fly, Oakland reliever Jack Aker hit Jim Northrup on the back of the batting helmet with a pitch.

Northrup charged the mound and flattened Aker with a flurry of punches as both benches emptied. Horton emerged from the Tigers' dugout in his stocking feet, ready to do battle. Krausse raced from the Oakland bench to the middle of the scuffle.

A's pitcher John "Blue Moon" Odom, although not in the game, also raced from the dugout and mixed it up with the Tigers' injured McAuliffe.

When order was restored, Northrup, Krausse and Odom were ejected from the game and Aker was helped to the A's dressing room, his face bruised and scratched, most of his uniform torn off.

Umpire Ed Runge said that

### SHAVING STROKES

#### 16 - Short Game

Written for Newspaper Enterprise Assn.

You've gotten back into the swing of your golf game. Now you're interested in the pleasure part—cutting down your score. Where do you start?

There's no contest here. It's got to be in the short game.

I feel that weekend golfers can keep their drivers and irons their swinging clubs, moderately under control, at least to the point they can advance the ball. But their short game suffers miserably from the most part because they don't play enough for consistency.

Even in my own case, if I lay off for two or three days, months in the winter, my short game starts to fall apart, the chipping or the putting

So to save strokes, I definitely emphasize concentration on the short game in practice. Start from the 50-yard wedge shot on into your chips with the six- or seven-iron off the fringe of the green. Some people use a four-iron off the fringe.

Of course, there are decisions involving the use of a pitching wedge to lob the ball or running it up with an iron. I take pitching wedges more when the greens are hard and,

### Kathy Whitworth Wins Golf Event

DALLAS, Tex. (AP) — Kathy Whitworth, who birdied the last hole to win the Dallas Civitan Open Sunday, has a secret to her success—she's not too proud to take a lesson.

"I've been having trouble with my grip," said Miss Whitworth, whose first place money of \$2,775 boosted her winnings to \$11,845 for the year. "I saw Harvey Penick (a golf professional in Austin, Tex.) and he changed my grip. He put my left hand more on top."

Miss Whitworth, 29, used the new grip to fire a final round two under par 69 for a four under par 209 total that nipped hard-charging Carol Mann by one shot.

## Highland Golf Club To Host Tournament

The men of the Upper Peninsula Golf Association will have their first of two chances for tournament play at the Highland Golf Club, as the club will host the 5th Annual Highland Medal Invitational on Saturday and Sunday, June 8th and 9th.

The tournament has gained in popularity each year, and a very large field is expected for this year. As in the past, an 18-hole qualifying round will be played on Saturday, with an 18-hole medal play match on Sunday. The Championship flight will play 27 holes on the final day. Saturday's qualifying rounds will not be used to determine the flight winners.

The Highland has been groomed for this event, the first of many tournaments to be held at the course this year. Also on the agenda for the men is the Upper Peninsula Men's tournament to be held on August 8, 9, 10, and 11. The U.P. Women will also get a crack at the course as their tournament will be held on July 15, 16, 17, and 18.

Although the new nine holes of the present set-up have come along well, it is doubtful that they will be ready for play for the Highland Open. However, club officials said today that with a break in the weather, it may be playable for the other two U.P. wide tournaments. The present nine are excellent at this time however, and the course has already played to

many sub-par rounds and a hole-in-one by Jack Smith, a tournament contender from the home club.

Winners of the past four Highland Open Championships have been Marty Garity then of Northern Michigan University, Harry Hogan of the Country Club, Jim Douglas of the host Highland, and Dr. Jim Strong of Ontonagon is defending champion.

### Toledo Splits With Rochester

By The Associated Press

Rochester split a doubleheader with Toledo Sunday to keep a tight grip on the International League lead.

Rochester lost the first game 5-1, but came back to take the nightcap 4-2.

All the scoring in the first game took place in two half-innings.

Rochester's lone run came off a solo homer by Merv Rettenmund—the first Red Wing to step to the plate.

Toledo scored five runs in the third. With two out, Toledo stretched a six-hit skinn, with the big blow coming when Lennie Green got his first homer of the year.

In the second game, Tom Arruda, who has four of the Red Wings' five complete games, gave up only six hits to pick up his fourth win in five decisions.

Columbus was rained out in its home game with Jacksonville, but still moved up to second place, a game out of first place.

Louisville, which lost both games of a doubleheader to Richmond, dropped out of second place and into third. Richmond took the first game 7-6 and won the nightcap 2-0 on the pitching of Bob Castiglione.

Jesse Gonder collected a grand slam homer for the Braves in the first game.

Buffalo and Syracuse split a doubleheader in Buffalo, Syracuse winning the first game 3-2 and the Bisons clobbering the Chiefs 17-4 in the second game.

## Iverson Breezes To Race Victory

Bob Iverson, averaging 52.45 miles per hour, captured the 20 lap modified feature race at the U.P. Fairgrounds in Escanaba Saturday night. Iverson, starting in the pole position, took the lead on the first lap and held off the challenge of Jerry Richer for the victory. Iverson was a double winner for the evening as he also won the first modified heat.

The crowd of 2,250 fans saw Duke Gardiner weave through the pack of 14 cars to capture the sportsman feature. It was the first feature win of the year for Gardiner who had experienced car trouble in earlier races.

There will be a special Memorial Eve race Wednesday night in Escanaba. Time trials will start at 7 p.m. with the races at 8 p.m. Racing action will be the same on the week-ends with racing Friday night in Norway and Saturday night in Escanaba.

Modified results: First heat, Bob Iverson, 2. Gene Coleman, 3. Ed Provo. Second heat, 1. Jerry Richer, 2. Jim Peterson, 3. Ken Iverson. Feature, 1. Bob Iverson, 2. Jerry Richer, 3. John Erickson.

Sportsman results: First heat, 1. Bob Bowden, 2. John Buckland, 3. Dick Williams. Second heat, 1. Bob DuBois, 2. Joe Haferkorn, 3. Bill DeShambo. Third heat, 1. Herb Iverson, 2.

## Al Kaline Out For 2-3 Weeks

OAKLAND (AP) — The Detroit Tigers announced Sunday that star outfielder Al Kaline, hit by a pitch in Saturday night's game against Oakland, suffered a hairline fracture of the right forearm and will be out of action for two to three weeks.

Kaline, who was out for one month last year with a broken finger, was struck by a Lew Krausse pitch Saturday night. He left the game in the sixth inning, but the extent of the injury was not revealed until Sunday.

The 33-year-old outfielder, a perennial All-Star who led the American League in batting with a .340 average 13 years ago and has a .305 lifetime mark, has been plagued by injuries throughout his career.

He suffered a broken cheek bone in 1959, a broken collar bone in 1962, a rib injury in 1965 and underwent surgery in October, 1965, to correct a chronic foot malformation.

# Drysdale Blanks Houston; Aims For Shutout Record

**By The Associated Press**  
The strong pitching arms that have dominated major league baseball this spring are zooming in on poor, old Doc White again. This time it's Don Drysdale of the Los Angeles Dodgers, who polished off Houston 5-0 for his fourth consecutive shutout Sunday.

That tied Drysdale with five others for the modern National League record of four straight blank jobs. The major league record of five was set by one G. Harris White, who pitched for the Chicago White Sox in 1904 which, until now, was always known as baseball's deadball era.

Doc White's mark stood off a confrontation by Luis Tiant of Cleveland, who pitched four straight shutouts earlier this season and now Drysdale is perched on the doorstep.

In other National League action Sunday, Chicago dropped

San Francisco 4-2, Philadelphia battered St. Louis 9-3, Atlanta nipped New York 2-1 in a game called after six innings by rain and Pittsburgh tied Cincinnati 8-8 in a game ended by rain after seven innings.

**Previous Shutouts**  
Drysdale, who won his previous three starts 1-0, 1-0, and 2-0, had a laughter for a change with the Dodgers scoring five runs for him.

The big right-hander allowed six hits and fought off a serious challenge to his shutout skin in the ninth when Denis Menke and Rusty Staub opened with singles. Drysdale got Lee Thomas on a double play bouncer but walked Jim Wynn and hit Bob Aspromonte, loading the bases, before Dave Adlesh grounded out to end it.

Drysdale also had a couple of singles, driving in Los Angeles in a first run in the third inning and keying a two-run wrapup rally in the ninth.

Ernie Banks smashed two home runs, giving him 450 for his career, as he led Chicago past San Francisco. Banks, 37,

also had a single and the nine total bases helped him set a Cub record of 4,158 career total bases, snapping the club mark of 4,149 set by Cap Anson before the turn of the century.

**Pitches Four-Hitter**  
Bill Hands pitched a four-hitter for the victory—his fifth in seven decisions this season. Mike McCormick took the loss.

Rich Allen drove in four runs and Tony Taylor chased home three, leading the Phillies over the Cardinals.

Allen had a three-run homer and Woody Fryman went the distance for his sixth victory. Taylor and Johnny Callison had three hits apiece.

It was the fifth loss in six games for the slumping Cardinals.

The Braves edged the Mets in a splashy affair at Atlanta. The game was delayed over an hour at the start and played in a steady rain until the seventh when the downpour forced the umpires to halt and eventually call it.

By then, though, the Braves had a 2-1 edge and it went in the books as a victory, although

New York brass was somewhat unhappy over it.

**Brass Unhappy**  
Johnny Murphy, general manager of the Mets, said "they were the worst playing conditions I've ever seen. The game should never have gone past the first batter. The umpires should have called it. They used bad judgment."

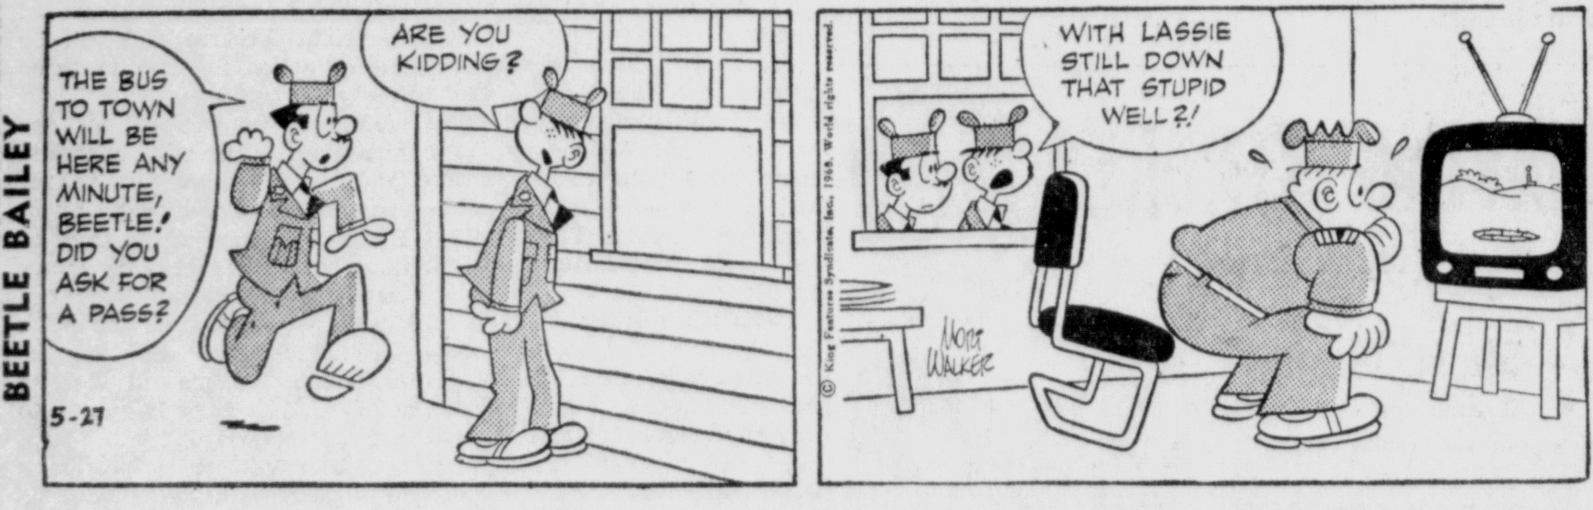

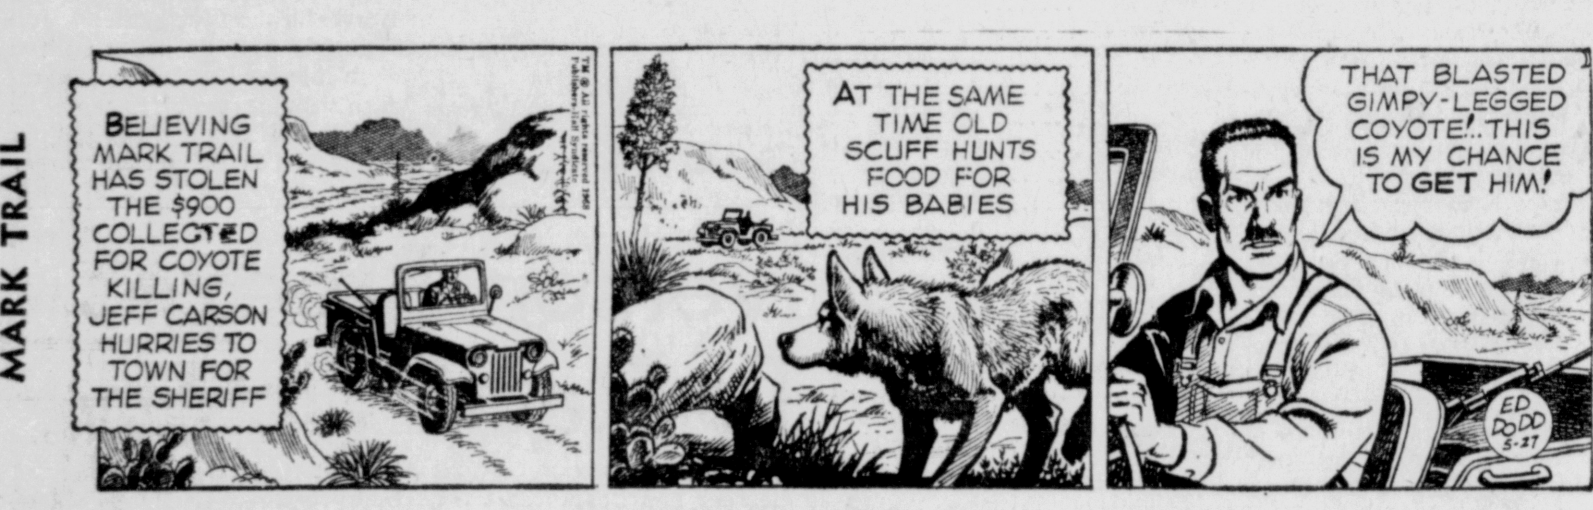

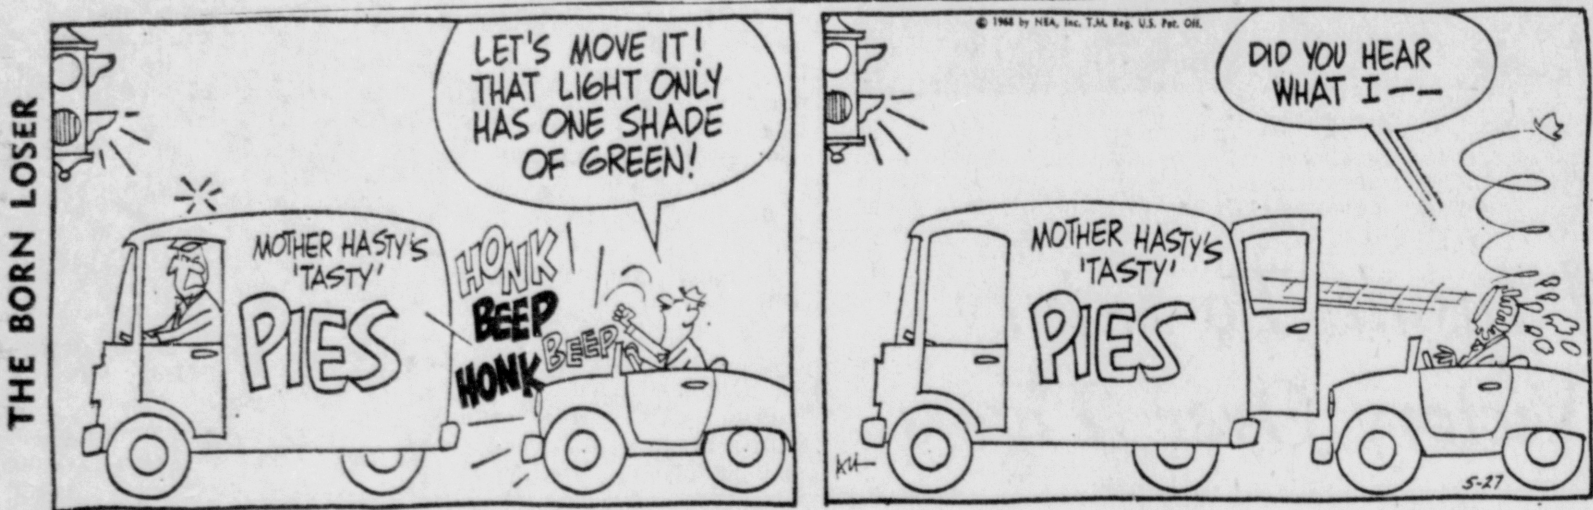

"Starting the game," said Gil Hodges, manager of the Mets, "was a disgrace to baseball."

Shag Crawford, the plate umpire, said "the field was firm when the game started. I have to use my own judgment. We're told to make every effort."

Rain washed out a tie breaking run in the eighth inning for Pittsburgh and left the Pirates with a deadlock against Cincinnati.

Roberto Clemente's two-run homer highlighted a six-run Pirate sixth that gave Pittsburgh an 8-7 edge but a double by Tommy Helms and Vada Pinson's single tied it for the Reds in the bottom half of the sixth.

Clemente singled Willie Stargell across in the eighth before the rain eliminated the run.

# National League Meets To Decide On Expansion

**CHICAGO (AP)** — Eenie, Meenie, Minnie, mo which way will the National League go? National League baseball owners meet today to decide which two of five cities, if any, they will take in for the 1969 season.

The owners voted on expanding to 12 teams earlier this year if they could unanimously agree on the two new members. The if wasn't considered much at the time but recently has gained momentum.

The cities in the hamper are San Diego, Dallas-Fort Worth, Buffalo, Milwaukee and Montreal.

Bob Carpenter, owner of the Philadelphia Phillies, is said to oppose expansion of any kind at the time. That alone could kill the move to match the rival American League.

The American League has expanded to 12 teams, with Kansas City and Seattle joining the

circuit next season, and is currently considering a divisional split with a playoff to determine the championship.

Moreover, the American League will hold a meeting Tuesday, at which time it is expected the league will announce its divisional alignment.

However, before the American League meeting Tuesday, the two leagues will get together for what has been called "an informal, joint discussion."

While Carpenter is apparently against expansion, Roy Hofeinz of the Houston Astros reportedly is against putting a team in Dallas-Fort Worth. Hofeinz feels such a move would cut into his club's radio-television revenue.

P. K. Wrigley, owner of the Chicago Cubs and a big influence in the National League, has gone on record as stating expansion by 1969 is not being looked upon with enthusiasm.

But others, including Horace Stoneham of the San Francisco Giants, feel the National League would be committing suicide on a talent basis if it fails to ex-

pand along with the American League.

"Expansion is our only defense," says Stoneham. "Our league simply can't afford to let the American League draft a hundred or more players to replace its original rosters as it completes its expansion to Kansas City and Seattle."

If the Nationals fail to keep step in expansion, the American League, with 12 teams, would drain off more talent in the annual minor league and free agent players drafts.

## NBC Schedules Tiger Contest

**DETROIT (AP)**—A game between the Detroit Tigers and the Red Sox at Boston June 3 will be televised on NBC at 7 p.m. as the first night game of a special series on the network.

The following night, the two clubs will make up an unplayed game in a two-night doubleheader beginning at 5:30 p. m.

# Gophers Carry Colors Of Big Ten To Tourney

**CHICAGO (AP)** — The Minnesota Gophers, doing it the hard way, will carry the Big Ten colors in the NCAA baseball championship this year.

Faced with the prospect of having to defeat a hot Michigan State team twice to qualify for the conference title and NCAA berth, Minnesota stayed alive with a 3-2 victory in extra innings in the first game and then clinched it all by walloping Michigan State 10-4 in the nightcap Saturday.

Michigan State had lost its first two games of the campaign and then the Spartans put together a string of 13 victories to gain the league lead.

The Spartans took over the lead Friday when they defeated Iowa 5-2 while Minnesota was rained out of a doubleheader against Michigan.

Needing only one victory in the final doubleheader, Michigan State failed.

The 3-2 triumph was the key for the Gophers.

Michigan State took a 2-0 lead in the second inning on a pair of walks and run-producing singles by Tom Ellis and Rick Miller. The Gophers tied it in the home half of the inning on three walks, a sacrifice fly and a single by Brian Love.

The teams battled to a tie through the regulation seven innings and Minnesota won it in the eighth on a two-out, bases-loaded single by Bill Kendall.

An eight-run uprising in the sixth inning clinched the second game and the title. A two-run single by Greg Wasick and a three-run homer by Mike Walseth were the big blows as Minnesota finished with a 14-2 record to Michigan State's 13-4 mark.

Big Ten teams have competed in nine NCAA championships and have won six of them, three by Minnesota. The Gophers won in 1956, 1960 and 1964 while Michigan took national titles in 1955 and 1962. Ohio State won the NCAA in 1966.

## THE LITTLE WOMAN

"I understand this airline is going all-out to win the businessman's trade."

## Gladstone News

## Plan Tourney Memorial Day

The annual Memorial Day Tournament and Family Dinner will be held at the Gladstone Golf Club Thursday. Jim Peterson and Rita Sturdy are in charge of the tournament.

The family dinner will be served from 5 to 7 p.m. and the public is invited to attend. The committee in charge of the dinner is composed of Mr. and Mrs. Dwight Cochran, Mr. and Mrs. Lloyd Stenlund, Mr. and Mrs. E. R. Burke and Mr. and Mrs. Ed Miller.

A 40-foot tree may absorb 19 gallons of water a day in the height of the growing season.

## Service Committee Named For Library

A Public Library Service Committee has been appointed by the Gladstone Board of Education in order to stimulate in-

terest in the public use of the library.

Chairman of the newly formed committee is Mrs. David Jondrow and other members are Mrs. John Carew, Mrs. Donald Pfotenbauer, James Walker and the Rev. Gerald Brady. The committee will meet with Mrs. Dorene Anderson, Librarian, to plan improvements for public library services and additional services to be offered to the community. They will also aid in publicizing public library materials and facilities and develop services for such community groups as the nursing home patients.

Mrs. Jondrow is the Gladstone School and Public Library representative on the Mid-Peninsula Library Federation Board and secretary of the MPLF Board.

## Three Accidents Reported, Two Drivers Hit Deer

State Police investigated three minor traffic accidents over the weekend, none involving injury.

Penelope Handrick, 18, Germfask, escaped injury about 6:45 p.m. when her car ran off U.S. 2 in Nahma Township and struck a tree, officers reported. She told police she lost control of her car when an oncoming truck splashed water on her windshield.

Officers also reported cars driven by Michael Skorupski, 17, Rte. 1, Cornell, and John Breitzman, Bay View Location, collided at the intersection of County Rds. 420 and 426 about 5 p.m. Sunday. Troopers said Skorupski was passing as Breitzman started to make a left turn. No tickets were issued.

Esther Nelson, 24, of 2104 S. 21st St., struck a sign with her car off U.S. 2 in Nahma Township about 6 a.m. Saturday. She told officers she swerved to avoid a deer.

Two other motorists struck deer, officers said. They were Donald Smith, Rte. 1, Gladstone, and William Kray, Grosse Pointe Woods.

## Committee Votes \$14.4 Million Cut For School Lunch

WASHINGTON (AP) — A Senate committee has voted to slash \$14.4 million from the school-lunch program, prompting one Democrat to voice hope it was not a punitive action aimed at the Poor People's Campaign.

The Senate Appropriations Committee did, however, restore nearly \$5 million which the House has cut in special food programs for children of the poverty-stricken. Such aid is a prime stated goal of the Poor People's Campaign, now encamped in Washington to pressure Congress for programs aiding the destitute.

## Porcupine Ski Concession Bids Being Taken

LANSING (AP) — The State Conservation Department is taking bids until June 10 for the leasing of the ski shelter concession at Porcupine Mountains State Park. The concession, starting with the 1969 season, will cover the sale of refreshments and such ski services as rentals, repairs and instructions. The concession grossed nearly \$10,000 last season but is expected to be a larger money-maker with addition of new ski lift facilities at the park.

## City Briefs

The American Legion Auxiliary of August Mattson Post 71, will hold nomination of officers at their regular meeting Monday at 8 p.m. at the Legion club rooms.

## Card of Thanks

## Oster

A sincere thank you to my friends and relatives who came to visit me and sent flowers, gifts and cards while I was a patient at St. Francis Hospital. I especially wish to thank Dr. Whipple, Dr. Hult, Rev. Rueben Carlson, Vendula Sundquist, Mrs. Vera Kallerson and Ethel Larson, who nurses and aides and all who helped me in so many ways. Your thoughtful visits will never be forgotten.

## Anglathon Entry Easy As Fishin'

Delta County's Anglathon is getting off to a slow start because cool weather has restricted fishing, but more activity is looked for this weekend on Big Bay de Noc and Little Bay de Noc and adjoining waters.

The Bays de Noc Recreation Resources Council has launched its first annual Anglathon and encourages all fishermen to register their catches at one of its measuring stations.

The fish will be recorded by species: bass, walleyes, northern

### Price Spread 2 Here On Pipeline Cited On Safety

The National Safety Council announces that Pipeline Construction Spread No. 2 of H. C. Price Co., located in Escanaba, and currently constructing a pipeline for Great Lakes Gas Transmission Co. has been awarded the Council's Award of Merit. The Safety Council said that the local plant qualified for the award because of its low injury rates in 1967. Injury frequency rate was 61 per cent better than its "par" rate and its injury severity was 96 per cent better. "Par" rates are computed by the National Safety Council from the Spread's experience in other years and from rates of the industry classification to which it belongs.

### Bark River

**BARK RIVER**—The Bark River-Harris PTA has unanimously passed a motion approving the increased millage that the school board has requested.

The five mill request is a renewal of four mills, plus one additional new mill.

Carl Ahlin, school board member, told the PTA that the one additional mill would bring in an additional \$3800. He stated that this money was necessary in light of the rising costs confronting the district.

Ahlin further stated that the passage of millage is necessary for the Bark River-Harris schools to receive full state aid. He pointed out that the one additional mill would cost \$5 a year for a home assessed at \$5,000.

The Bark River-Harris PTA, in passing the resolution, urged all people in the district to go to the polls on election day, June 10.

### Cost Of Living Rises In Britain

LONDON (AP) — Britain's cost of living index registered a record increase between March 19 and April 23, the Department of Employment and Productivity announces.

The index, based on the cost of living in January 1962, rose 2.2 points from 122.6 to 124.8. Officials attributed the increase to higher prices of many consumer goods, a result of added taxes in the spring budget.

Escanaba

pike, trout, steelheads and coho salmon.

There will be trophies and merchandise prizes for fishermen who register their catches for measurement if the measurement adds up to a milestone in the contest. A central check point will keep track of the cumulative measurements of the fish caught.

It costs nothing to have your fish measured and you may win a prize if you have Anglathon luck as well as fisherman's luck.

The measuring stations are: Big Bay de Noc: Tylene's Resort, Garden Corners Bar, Garden Corners Bay House, Deuparo's Resort, Laughing Gull Resort, Allen's Grocery, Richards Grocery, Brownlees Cabins, Ed Slavinski, Groleau's Grocery and Bill Sass Resort.

Little Bay de Noc: Little Noc Grocery, Vagabond Resort, Wickham's Garth Point Resort, Reeves Rivers End Resort, Pike's Food Market in Rapid River, Nelson's Boats & Bait, Mathews Cabins, Brock's Cabins, Lindberg's Cabins, White's Cabins, Stenac's Cabins, Gladstone Yacht Club, Gil's Gas Station in Escanaba, Hank's Grocery, Simpson's Cottages and Sandy Shores Cottages at Ford River and Sylvan Point Gulf Service.

### Garden Peninsula

Louis Farley has returned to his home in Kates Bay after being a patient in Schoolcraft Memorial Hospital for several days.

Grady Steele of Clarkston has returned to his home, after visiting at the Louis Farley home for several days.

**School Play**

A play sponsored by the Big Bay de Noc High School, was held at the Nahma Club House Tuesday afternoon and evening.

"Lock Stock and Lipstick", written by John Henderson, was the comedy enacted on stage by Chris Olson as Jane Gardner; Gloria Sundling as Mrs. Maggs; Cindy Swear, as Mrs. Donley; Patty Ritter as Carol Izzard; Phyllis Ritter as Mary Lou; Marsha Pellitier as Miss Entwistle; Janet Gouin as Miss Prather; Ernie Hardwick as Don Donley; Tom Spaulding as Larry Donley; Rodney Groleau as Plunkett; and Richard Lester as Warren. Assistants were, Linda Middaugh, Gwen Minor, Mrs. Patricia Swartz and Debbie Tanguay.

**Home Ec Club**

The Kates Bay Home Economics Club met at the Gerald Willet home, Thursday evening. After the business meeting a social evening was enjoyed. Guest for the evening was Mrs. Norman LaButte. The next meeting will be at the Louis Farley home.

L. L. Whitehead Co. of Sault Ste. Marie has moved stone crushing equipment into Carol Hazen's gravel pit where they will crush gravel to stockpile for the State Highway Dept.

**Auto Accident**

James Paulson, 22, and Charles Lovell, 23, were hospitalized in Schoolcraft Memorial Hospital for observation, following a one car accident on County road 483, six miles south of Garden Corners, Thursday evening. Paulson, driver of the car, and Lovell suffered concussions and bruises. The car hit a utility pole, breaking it and allowing wires to hang low over the road. State Police of Manistique Post were summoned to the scene and set up flares until the power company truck arrived to repair the damage.

**National Forest Timber Sale**

Timber Sale "South Branch," Hiawatha National Forest, Munising Ranger District, located in Sections 28, 29, 30, 31 & 32, T45N, R18W, Alger County, Michigan Meridian. Sealed bids will be received by the Forest Supervisor, Escanaba, Michigan, up to 2:00 p.m. (EST), June 27, 1968, for an estimated 266 MBF of timber marked or otherwise designated for cutting. The minimum acceptable bid rate per specie is: 137 MBF Sugar Maple Sawtimber at \$34.33; 53 MBF Yellow Birch Sawtimber at \$93.11; 48 MBF Red Maple Sawtimber at \$27.29; 28 MBF Misc. Hardwood Sawtimber at \$5.12. The sale includes as an optional product an unestimated quantity of Hemlock Pulpwood and Mixed Hardwood Chemical Bolts. The minimum bid guarantee is \$300,000. The right to reject any and all bids is reserved. Full information concerning the timber, the conditions of sale, and submission of bids should be obtained from the District Ranger, Munising, Michigan or the Forest Supervisor, U.S. Forest Service, Escanaba, Michigan.

### Nahma

**Women's Club**

The Women's Club met at the clubhouse Wednesday evening. After a short business meeting, cards were played and prizes were awarded to Mrs. Frank Sefcik and Mrs. Fred Popour. Lunch was served by Mrs. Homer Beauchamp and Mrs. Victor Thibault.

**Briefs**
